

THE DRAMA CLUB

FACULTY OF ARCHITECTURE DEPARTMENT, SUK

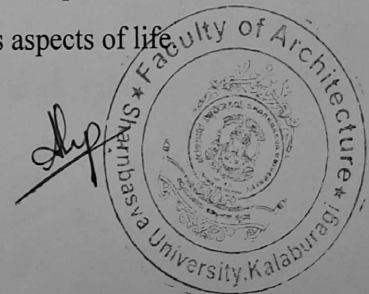

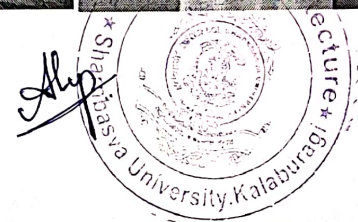

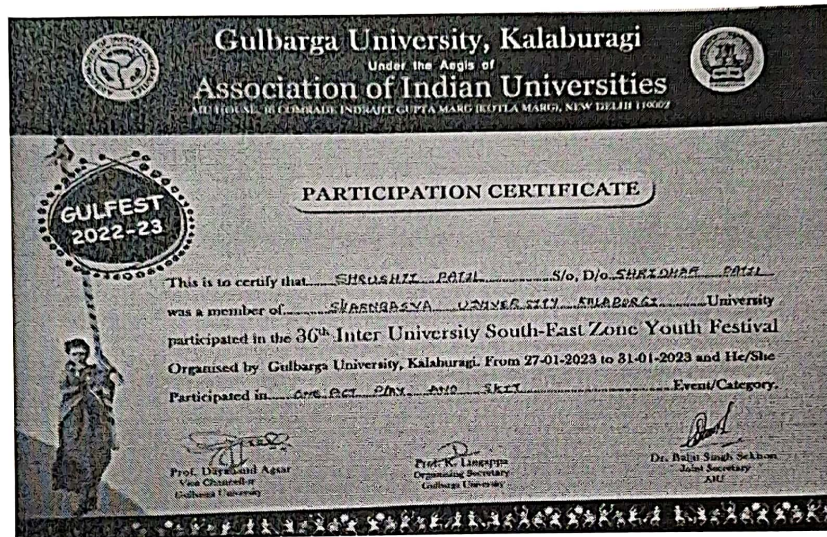

In Faculty of Architecture Department, we have Drama Club under Students club. Drama club is designed for students who have passion & zeal of learning theatrical aspects. The drama club was first introduced & announced during 2023 fresher's party held between 19th Dec'23 to 21st Dec'23 called 'VASTOTSAVA' at the architecture department. The members (students) include young talented actors, script writers, directors who come together for outstanding plays.

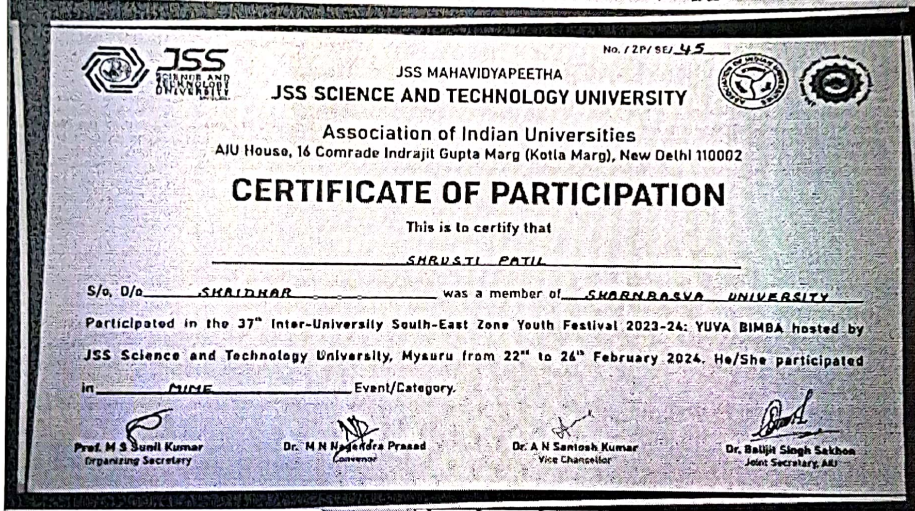

The club took part in various inter department & also inter-universities, zonal levels & have won awards. In 2024, FOA students along with other SUK department selective students participated in 37th Inter-University South-East Zone youth festival held in February 2024 at JSS Science & Technology Institute, Mysuru & won a participation certificate.

In 2023, we had participated in 36th Inter university South-East zone youth festival at Kalaburagi & won a participation certificate.

Drama clubs offer a range of benefits that extend beyond traditional academic subjects. The skills and experiences gained through participation in drama can contribute to personal development, enhance academic performance, and prepare students for success in various aspects of life.
