

SHARNBASVA UNIVERSITY

FACULTY OF ARCHITECTURE

NATURE CLUB

NATURE CLUB

The phenomena of the physical world collectively, including plants, animals, the landscape, and other features and products of the earth, as opposed to humans or human creations.

INTRODUCTION: This organization is focused on increasing students' understanding and appreciation of nature and raising awareness about the consequences of human activity on the natural world. Students will have the opportunity to learn about bees, native plants and animals, and how our actions impact the environment.

AIM: “To create sustainable Environment without harming the nature “

OBJECTIVES:

1. To sensitize, motivate and educate students and staff about environment conservation.
2. To create awareness among society about environment and related issues.
