Pragati Kulkarni

"It was a great experience studying at Sharnbasva University, a memory to cherish for lifetime. My experience at university was full of learning and grooming. Being a global university, it gave me an opportunity to meet different kind of people"

M.Sc. Botany- 2020-2021

Placed in: Botanic Health Care

Avinash

"I am truly grateful for the enriching experience I had during my master's program at the university. The academic environment was both challenging and supportive, pushing me to grow intellectually and personally.

M.Sc. Botany- 2019-2020

Placed in: Patanjali Ayurved

Bhagyashree

"The diverse campus community and access to research opportunities greatly enhanced my learning journey. Completing my degree here has not only prepared me for my career but also helped shape me into a more confident and capable individual. I'll always carry the values and knowledge I gained during my time at the university."

M.Sc. Botany- 2020-2021
