

Name : Rakshita
USN : SG19MAT020

Being a student at this remarkable university fills me with pride. I've encountered brilliant lecturers who've imparted invaluable knowledge, truly enlightening my perspective. The opportunities to engage in a wide range of academic, co-curricular, and extracurricular activities have been instrumental in shaping my personality. Our college excels at providing profound learning experiences, and the teaching and facilities within the Mathematics branch are truly outstanding.

Name: Savita
USN NO: SG21MAT034

The best thing about my college is that every day in the college is a new learning day where we get to explore new areas of knowledge and activities as frequent activities like lecture demonstration, workshops, panel discussions, lectures by guest speakers and the professors here are true inspiration, igniting a passion for learning in each of us.

Name: Shruthi Suresh
Usn.no: SG22MAT053

I had the privilege of learning under the guidance of dedicated and inspiring faculty members, whose mentorship played a vital role in shaping my teaching journey. Their constant support enriched my subject knowledge, strengthened my communication skills, and motivated me to pursue excellence in the field of education.
