

To,

The Chairman
Department of P.G.
Studies & Research
in Zoology
Shastri Basva University
Kalaburagi-585103

Dear Sir/Madam.

I am writing to express my heartfelt appreciation & share my feedback regarding my academic journey from 2018-20 as a student in the Department of PG studies & Research in Zoology, Shastri Basva University, Kalaburagi.

The Department has always maintained an atmosphere conducive to learning & growth. Initiatives like seminars, workshops & guest lectures greatly enriched our learning experience. Classes were not only informative but also interactive.

The laboratories were well equipped & maintained. The faculty members of our Department were always approachable, knowledgeable & supportive. They played a crucial role in nurturing our academic development.

At last, I am deeply grateful for the foundation that the Department & its faculty have provided.

Please extend my regards to all faculty members. I look forward to staying connected & contributing to the Department in any way I can as a proud Alumni.
