

I am much obliged to be a part of Sharnbasva university MSc Zoology the college campus & teaching facilities are outstanding. I am really grateful to be part of these university.

The college has been a great foundation for my career, providing numerous opportunities to enhance my abilities through co-curricular activities, conducting seminars in class, poster presentation, internship, projects as well as the encouragement to explore & pursue my passion of teaching is truly outstanding. Presently I am part of renowned institution in Kalaburagi Gurukul Independent PU college. The supportive & approachable nature of the teachers along with overall positive & encouraging environment is truly appreciated.

Animal museum is provided for educational & research resources. Various animal preserved specimens, showcasing the diversity & evolution of life. Rat house is been designed to provide suitable environment for housing & breeding rats for students to learn & research purpose.
