On 14 May 2024, the Department of Tourism and Travel Management organized a seminar on "**Managerial Skills for Tourism**". The event was marked by enthusiastic participation from students and faculty members. Bhavani from BBA-TT II Semester took the lead as the host, setting a welcoming tone for the seminar.

The seminar commenced with an invocation song performed by Preeti, also from BBA-TT II Semester, which created an auspicious beginning. This was followed by the ceremonial lighting of the lamp, a traditional practice symbolizing enlightenment and knowledge. The lamp was lit by the esteemed resource person, Dr. Aloysius Edward J, alongside Dr. Vanishree C T, a senior faculty member.

Resource Person

Dr. Aloysius Edward J, Professor and Dean, Faculty of Commerce and Management, Kristu Jayanti College, Autonomous, Bengaluru

Nisarga, a student of MBA-TT I Semester, introduced the resource person, Dr. Aloysius Edward J brought a wealth of knowledge and experience to the seminar. Nisarga highlighted Dr. Edward's significant contributions to the field and his extensive background in both academia and industry.

In a gesture of appreciation, Dr. Vanishree C T felicitated Dr. Aloysius Edward, acknowledging his valuable presence and the insights he was about to share. This was met with warm applause from the attendees.

Seminar Highlights

Dr. Aloysius Edward began his talk by motivating the audience with an inspiring story. The story underscored the moral that every individual is responsible for building their own career. He emphasized that students need to cultivate various qualities to succeed in their professional journeys. The key points from his motivational segment included:

Spirituality: Developing a strong inner foundation.

Hardworking: Emphasizing the importance of diligent effort.

Attitude: Maintaining a positive and proactive outlook.

Resilience: The ability to bounce back from challenges.

Networking: Building and nurturing professional relationships.

Benevolence: Demonstrating kindness and consideration in all dealings.

Aptitude: Continuously developing one's skills and knowledge.

Smart and Skill: Being both intelligent and skilled in one's field.

Versatility: Adapting to various roles and challenges.

Agility: Responding swiftly and effectively to changes.
