<b>Description of Activity:</b> Shri Surya Kant Sharma, (Senior Consultant AMFI) who was keynote speaker in the webinar at the outset touched upon the importance of financial security. He emphasized that an investor should first think and ensure adequate life insurance, reasonable medical insurance cover and an emergency fund before embarking upon the journey of wealth creation through sustained investments which is most essential for prosperity. He then dealt in detail on the need for wealth creation for prosperity and emphasised that investors should not be money accumulator but wealth creator which only would make them comfortable with regard to their money needs for their milestones in life. shared basic information on various investment avenues available in the market viz. Government/RBI bonds, corporate bonds, Government schemes (Post office schemes, PPF, NPS, securities market etc. real estate, gold and securities market. All these avenues are different and have distinct features and investors should investment their hard earned money according to his/her risk apatite and time horizon of investment.  After the sessions, a question answer session was made open for the participants and lastly participants who filled in feedback proforma were issued online certificates.	
<b>Activity Outcome:</b> <b>The outcomes of tha webinar are:</b> -Ready to handle money when they earn -Responsible savers and investors -Explore multiple investment options	<b>Our university benefitted with:</b> -Meaningful financial sducation for students -Increase in student awareness and employability -Network with industry professionals for exploring further opportunities -Financial Education for faculty too.
