

"My college experience has been the most transformative and enriching journey of my life. The supportive environment, expert faculty, and rigorous training helped me discover my potential and shape my career aspirations. The placement cell played a pivotal role in connecting me with top industry players, enabling me to secure my dream job. I'm forever grateful for the invaluable lessons, lifelong connections, and unforgettable memories that my college experience has given me."

Designation:FPGA design Engineer

Company : Argus pvt limited

Location :Hyderabad

Mail Id :avinashkatti2580@gmail.com

In my experience all the faculty are very supportive and friendly. The placement team provided platform to enhance skills and opportunities to showcase them.

I am deeply grateful to Sharnbasva University for all the support.

Designation:- Analyst II software engineer

In these halls, we learned with purpose and grace,
Guided by teachers who lit every space.
Their wisdom and care helped us grow each day,
As we carry their lessons on our way.
