Report On

"One day Workshop on Energy Efficiency and Energy Conservation"

Jointly organized by

Department of Electrical and Electronics Engineering,

Faculty of Engineering and Technology (Co-Ed)

Formerly

Appa Institute of Engineering and Technology

and

Karnataka Renewable Energy Development Limited (KREDL) Bengaluru,

on 29 July 2022

Karnataka Renewable Energy Development Limited (KREDL) is established in 1996 as a Nodal Agency of the Government of Karnataka to identify, promote and develop Renewable Energy projects in the state. Besides, KREDL co-ordinates with all agencies both at state level and national level to promote Renewable Energy in the state.

Under its promotional scheme to create awareness among budding engineers on Conservation of energy and its efficiency One day workshop was conducted on 29/07/2022.

The Inauguration function was held in Doddappa Appa Sabha Mantapa along with Celebration of 5th Foundation Day of Sharnbasva University function. The function was presided over by Shri Basavaraj Deshmukh, Honorable Secretary, Sharnbasaweshwar Vidya Vardhak Sangha Kalaburgi, the other chief guests for the functions were, Shri Chandrakant Patil, Chairman, KREDL, Bengaluru and Shri. Patil Bhuvanesh (IAS), Commissioner, City Corporation Kalaburgi. In the absence of Shri Chandrakant Patil, Shri. Dineshkumar D. K. represented the KREDL and acted as chief guest of the function.

The function was started with welcome song followed by University song performed by Music department of Sharnbasva University. Dr. Anilkumar Bidve, Registrar, Sharnbasva University welcomed all the Chief guests and participants through welcome speech. After the welcome speech, felicitation to the entire guest and resource person was done. Chief guest Shri. Patil Bhuvanesh, addressed the inaugural gathering and he highlighted the need of such awareness activities in colleges and schools and motivated students by saying that success is not a single step phenomenon it can be achieved step by step, may be with change of goals. He also advised them to do the hard work with smart thinking to achieve the goal.

Shri. Dineshkumar D. K. as a KREDL representative explained how his organization is working to achieve the National target of energy through renewable energy for that the schemes they are implementing, Like promotion of roof top solar systems on Govt. schools and buildings, wind energy cluster development, Green building certification and distribution of Solar pump sets to farmers etc. through his guest speech.

Our Honorable secretary Shri Basavaraj Deshmukh thanked the KREDL for choosing our institute for conduction of workshop through funding and how our institute has implemented greener energy through solar panels for electricity generation installation four years back without investing single rupees from the SVV Sangha in his guest speech.

Dr. Niranjana Nistya, Vice Chancellor of Shri Basavanna University, in his Presidential address explained how our University is trying to do the innovative work in renewable energy or Green energy by various projects of the PG and UG students, and extended his needed support for such activities.

The inaugural function was concluded by vote of thanks from Chairman Department of Electrical and Electronics Engineering Prof. Jagadish Patil, extended vote of thanks to Chief Guest Shri Patil Bhuvaneshji, Shri Dineshkumar DK and Honorable Secretary Shri. Basavaraj Deshmukh, President of the function Vice Chancellor Dr. Niranjana Nistya, Pro Vice Chancellor Dr. V. D. Mytri and Registrar Dr. Anilkumar Bidve and Registrar(Evaluation) Dr. Basavaraj S. Mathpati, Dr. M Saikala, Principal, Godutai Engineering College For Womens, and all the Faculty members of the Institute, all the Media persons and students for their support for the conduction the this event.

After the Lunch break the first session was started at 2.00PM by Shri. Dineshkumar D K, project engineer from KREDL on **"Role of Renewable Energy and Energy Conservation in present scenario"**. In his presentation, Shri. Dineshkumar shown the national scenario of energy requirement and energy generated through renewable energy means and by conventional non renewable energy means. The targets of Government of India, for that how government of Karnataka and KREDL is trying to achieve the target. He, further discussed about role of renewable energy in minimizing the carbon emission, not only that, how to save the energy. He also displayed the different projects implemented by KREDL for generation of renewable energy and activities planned by KREDL for promotion of **Renewable Energy generation and Energy Conservation by saying saving one unit of power is equal to generation of two units of power.**

The second session was begin at 3.15 PM on the topic of **"Energy conservation & Energy Efficiency in Electrical Utilities"** by Shri. Shivakumar Dyade, Executive Engineer KPTCL Kalaburagi. In his talk Shri. Dyade discussed on importance of conservation by giving power scenario in Karnataka, various sources of power and nonrenewable energy used to generate the power, how we can extend the nonrenewable energy resources by conserving the energy generated by using the appliances in optimal manner. Being a certified energy auditor, he explained students how to become energy auditor and opportunities for energy auditor and electrical engineers. He also explained what the meaning of energy efficiency is, and to achieve this, how to select our appliances based on star rating and importance of star rating on the appliances.

At 4.15 PM, Dr. Basanagouda Ronad of BEC Bagalkote, delivered a key note talk on **"Energy Conservation – Opportunities and Challenges for Future"**. In his talk, Dr. Ronad highlighted the ways by which energy can be conserved using the methods discussed by other speakers, and how to create awareness among consumers by educating them through discussion, street play, demonstration etc. Motivated students to take projects, which are helpful in automatic control of lights, fans, when they are not in use. And also guided them to take initiative to switch off unnecessary devices, when they are not in use, without waiting for others to do the same. In future, energy generated through renewable sources can be stored by different way, like battery bank, in the form of heat storage and so.

The workshop was concluded by reading the workshop summary in brief by Prof. Satish Patil of EEE dept. and extending vote of thanks to all the guests for inaugurating the workshop, further, vote of thanks has been extended to all the resource persons, management, staff, media, and students for making the event successful.

Dear Sir,

Subject: Invitation as Resource person for "one day Workshop on energy efficiency and energy conservation".

It is my pleasure to invite you as Resource person for "One day Workshop on Energy Efficiency and Energy Conservation" on 29 July 2022 jointly organized by Department of Electrical and Electronics Engineering, Faculty of Engineering and Technology (Co-Ed) (Formerly known as Appa Institute of Engineering and Technology) and Karnataka Renewable Energy Development Limited (KREDL) Bengaluru, on the topic of "Energy Conservation – Opportunities and Challenges for Future".

Your participation as key guest speaker on the above topic will be a great honor for us.

Thanks

Prof. Jagadish Patil,
Convener and Chairman,
Department of Electrical and Electronics Engineering,
