Invitation to act as a Speaker for one day national webinar on "Energy Audit and Electric Vehicles".

Jagadish Patil <chairmaneeesuk@gmail.com>

Fri, Mar 4, 2022 at 1:46 PM

To: sakhot.2000@gmail.com

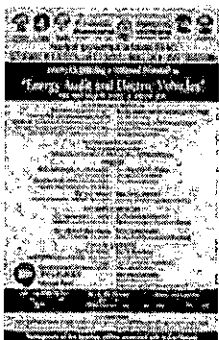

With reference to above cited subject Department of Electrical and Electronics Engineering and Department of Energy Engineering, Faculty of Engineering and Technology (Co-Ed) Sharnbasva University, Kalaburagi are jointly organizing **One day National Webinar on "Energy Audit and Electric Vehicles"** on 6th March 2022. In this regard I am pleased to invite you as a speaker to enlighten the faculty members, students, research scholars of our university and various other institutions. Your thoughts would enable faculty members to gain knowledge from your experience and expertise.

Kindly accept the same and do the needful in this regard.

Awaiting you to revert to the same.

Thanking You

Jagadish Patil(Chairman)

A Private University established by Govt. of Karnataka as "Sharnbasva University Act, 2012" Karnataka Act No. 17 of 2013. Notification No. ED 144 (UFG 2016) dated 28/07/2017

One Day Webinar on Energy Audit and Electric Vehicles

One Day Webinar on Energy Audit and Electric Vehicles was jointly organized by Department of Energy Engineering and Department of Electrical and Electronics Engineering, Faculty of Engineering and Technology (Co-Ed) on 6th March, 2022. Dr. Sanjay Khot, Principal, Sharad Institute of Technology College of Engineering, Yadrav, Maharashtra and Dr. Sandeep, Asst. Professor and Head, Department of Electrical Engineering, National Institute of Technology, West Godavari Dist. Andra Pradesh were resource person for this webinar. Dr. Basavaraj M Shrigiri, Chairperson, Dept. of Energy Engineering welcomed the speakers and participants. Prof. Prashant Suragimath, Asst. Professor, Dept. of Energy Engineering has introduced session one speaker Dr. Sanjay Khot. In the afternoon session Prof. Soumya H, Dept. Asst. Professor, Electrical and Electronics Engineering has introduced session two speaker Dr. Sandeep. Presidential remark was given by Dr. Anil Kumar Bidve, Registrar, Sharnbasva University, Kalaburagi. Vote of thanks was proposed by Prof. Jagadish Patil, Chairman, Department of Electrical and Electronics Engineering. The webinar was anchored by Prof. Prashant Chimalagi, Asst. Professor, Dept. of Electrical and Electronics Engineering. Total 32 students have attended this webinar, out of which 8 girl students were present and 3 staff members attended this webinar.

1. The first part of the paper is devoted to a general discussion of the problem of the existence of solutions of the system of equations (1) and (2) under the conditions (3) and (4). It is shown that the system has a solution if and only if the conditions (5) and (6) are satisfied.

2. In the second part of the paper, the problem of the construction of the solution of the system (1) and (2) is solved. It is shown that the solution can be constructed by the method of successive approximations. The first approximation is obtained by the method of the least squares.

3. In the third part of the paper, the problem of the construction of the solution of the system (1) and (2) is solved. It is shown that the solution can be constructed by the method of successive approximations. The first approximation is obtained by the method of the least squares.

Ministry of Heavy Industries, Government of India
National Automotive Board (NAB)

EV Charging Stations

Government has announced Phase II of EV charging stations with an outlay of Rs. 10,000 Crore for a period of 3 years commencing from 1st April 2019. Due to this budgetary support, about 10,000 charging stations will be installed across the country by FY 2020-21. The plan is to install about 10,000 charging stations across the country by FY 2020-21. The plan is to install about 10,000 charging stations across the country by FY 2020-21.

Dr. SANDEEP V is presenting

Targets – EV Charging Stations

- The Indian government's energy service company, better known as Energy Efficiency Services Limited (EESL), has announced that it plans to install roughly 10,000 electric vehicle charging station across India in the next two to three years.
- EESL said it is on track to achieve its target to install 2,000 charging stations all over India this year, i.e. FY 2020-21, including 500 in Delhi.

Definition of Energy management and Audit

Definition and objective of Energy Management

The judicious and effective use of energy to maximize profit (minimize cost) and enhance competitive position.

The objective of Energy Management

- To achieve and maintain optimum energy procurement and utilization, throughout the organization
- To minimize energy costs/waste without affecting production and quality
- To minimize environmental effects

Definition of Energy Audit

As per the Energy Conservation Act, 2001, Energy Audit is defined as "the verification, monitoring and analysis of use of energy, including submission of technical report containing recommendations for improving energy efficiency with cost benefit analysis and an action plan to reduce energy consumption".
