My B.Tech journey at Sharnbasva University in the Computer Science Department was truly unforgettable. The campus was filled with energy, learning and endless memories. I feel lucky to have been part of such amazing environment. The dedicated faculty and great professors who became mentors are truly inspiring. The memories on campus will always hold a special place in my life.

Name : Sangamesh S
Pass out Year: 2023
Company: Vealthx
Role: Software Engineer – QA
Email: sangameshssaradgi@gmail.com

I'm deeply grateful for the enriching journey I had at Sharnbasva University, in the Computer Science and Engineering department. The constant support and encouragement from our dedicated faculty, combined with the unforgettable moments shared with my close-knit group of friends, made my college years truly special.

From classroom learning to real-world problem-solving through NSS initiatives, every experience shaped me into who I am today. These formative years built a strong academic and personal foundation, empowering me to begin my professional career with confidence and purpose.

Name: Dhanaraj Hiremath
Pass out year: 2023.
Company name: DXC Technology
Role: Analyst II Engineer
Email id: dhanarajhiremath96@gmail.com

My time at Sharnbasva University, in the Computer Science and Engineering department, was truly transformative. The unwavering support from faculty and the constant encouragement from my circle of friends made the journey both meaningful and enjoyable. Engaging with real-world issues through NSS gave me practical insights beyond the classroom. These experiences together built a strong academic and personal base that continues to guide me in my professional journey.

Name: Nidhi Nayak

Email id: nidhipnayak2001@gmail.com

Hello Everyone!! Well I studied B.Tech in the Department of Computer Science and Engineering(2019-2023) Sharanbasva University, The university which made my future brighter with all facilities, great and friendly faculty members, Good On-Campus placements, Academic Programmes which made us to enjoy every moment. I feel very lucky to be a part of Sharnbasva University.

Name: Anirudh Kulkarni
Pass out: 2023
Company: Tech Mahindra
Role: Associate Software Engineer
Email: anirudhrevoor10@gmail.com

My engineering college provided a strong academic foundation with excellent faculty and well-equipped labs. The learning environment was supportive and encouraged both technical and personal growth. Workshops, seminars, and placement training added great value to our development. I'm grateful for the experiences and skills I gained during my time here.
