Description of Activity	Visiting a Zilla Panchayat Kalaburagi, Govt High School, Nellur mainly focused on local school's students facing problems. Online transaction is one of modern technology, with the intention to understand the concept of Electronic Payment System and its security services. Methods of electronic payment, Electronic cash, software wallets, smart cards, and credit/debit cards and Methods of traditional payment or Check, credit card, or cash. To transfer money over the Electronic payment system is a system which helps the customer or user to make online payment for their shopping especially for rural students. Benefits are numerous, from faster transactions to reduced costs and risks associated with physical currency, such as theft and fraud. .As per the program, our program was scheduled from 18 August 2023. Our destination was the village named Nellur. Student's trying to aware the rural area students about modern technologies and necessities. India has many systems to take care of its growth and development efficiently and effectively, the financial system of any country is one of the most important one consisting of banking and non-banking financial institutes, these institutes are providing various types of financial services to the customers. In the financial services, financial clearing and fund transfer service is one of the most important service than other services. The increasing development of information and communication technologies has brought many achievements for human society and greatly influenced people's lives and their behaviors and social events. In conclusion, this programme to in the present age of technology revolution, cash strives to endure the competition with electronic money, because more and more people prefer to have virtual wallets and other modes of digital payments. To get the best from the available benefits, it is necessary to be well educated about digital payments. Making digital payments not only save time but also save money. Apart from this, digital payments are going to largely impact the country's economy.
