Title of the Event	Social Awareness Program on "Awareness Program on the importance of higher education"
Date of Activity held	4th August, 2023
Time of Activity	One day program
Type of Activity (Cultural/ Co-curricular/Curricular)	Co-Curricular
Program/Course/ Class	B.Tech/CSE/2 nd sem
Number of Students attended	20
Number of Staff attended	03
Activity Incharge	Dr. Syed Asra, Dr.Sumangala Patil
Description of Activity	Visiting a Govt .High School Sindagi(B) mainly focused on local school's students facing problems. One major challenge is funds, which operates on limited budgets, leading to inadequate resources, outdated technology, and a lack of extracurricular activities. The achievement gap is another significant challenge, resulting in varying academic performance among students from different socioeconomic backgrounds. Consequently leading poverty, unequal access to resources, and a lack of support systems. This eventually leads to child labor. We started from the college campus at 10:30 am via our college bus. Totally 20 students along with 3 coordinators faculty had been to the school. Volunteering is one of the most effective ways to support local schools, can offer our time and skills to help teachers and students in various activities, such as tutoring, mentoring, or organizing events. Joining a community group, like a parent-teacher association or volunteer organization, connects with like-minded individuals we share our passion for education. The positive changes in local schools lead to increased enrolment in higher technical education. Employment opportunities and income level can be increased with the help of education. Individual development and progress of a nation depends on educational development. In conclusion, this programme to Firstly, It increases community engagement by bringing together parents, teachers, and students in a shared goal of improving education outcomes .Secondly, supporting local schools leads to improved education outcomes. local schools can offer a higher quality of education to their students.
