Description of Activity	An awareness programme on Oral hygiene was conducted on 19/06/2024 by 4th sem students. The event took place in the Karnataka public Govt. Primary and high School Aurad(B), Kalaburagi Dist. The session focused on rituals followed during menstruation in different religions, the availability of different sanitary products, how to maintain menstrual hygiene including usage and disposal of sanitary products, and emphasized the simple ways to maintain environmental hygiene in the college, hostel and hospital. Around 104 students attended the session Reproductive health is an important aspect of women's well-being. Lack of awareness and low adoption rate of safe menstrual health & hygiene management (MHM) practices, pose a serious threat and can lead to several challenges across health, gender equality, sanitation, and other socio-economic development factors. Objectives • Encouraging equitable gender norms through behavioral change • Promoting social entrepreneurship • Inculcating safe and hygienic habits • Creating awareness for responsible disposal
