Social Awareness & Outreach Activities – with SDG Mapping (2023–2025)

Sl. No	Activity Title	Date	Venue	SDG Goals Mapped	Justification
1	Social Awareness Program on "Differently Abled Life and Achievement"	27th June 2023	Government Blind Boys High School, Kalaburagi	SDG 3, SDG 4, SDG 10	Students spent the day at the Government Blind Boys High School learning about inclusion, dignity and equal opportunity for differently-abled persons, and the visit included distributing essentials to support the residents' wellbeing.
2	Social Awareness Program on "Old Age Home Support for Elderly and Senior Citizens"	14th July 2023	Old Age Home, Kalaburagi	SDG 3, SDG 10	Students spent time with residents of the Old Age Home in Kalaburagi, offering company and support that highlighted the importance of elder care and keeping older, vulnerable community members included.
3	Social Awareness Program on "Stitching a Better Future: The Art of Tailoring in Rural Areas"	4th August 2023	Govt. High School, Sindagi(B)	SDG 1, SDG 4, SDG 5, SDG 8	This program introduced tailoring as a livelihood skill at a rural government school, with a particular focus on helping local women build toward economic independence.
4	Social Awareness Program on "Importance of Higher Education"	4th August 2023	Govt. High School, Sindagi(B)	SDG 4, SDG 8, SDG 10	Students at Govt. High School, Sindagi(B) were encouraged to pursue higher and technical education, with the session making the connection between continued study, better employment prospects and greater equity.
5	Social Awareness Program on "Career Advice After 10th Grade"	4th August 2023	Govt. High School, Sindagi(B)	SDG 4, SDG 8	Students preparing to finish 10th grade were walked through their stream and career options, helping them make more informed choices about their education and future employability.
6	Social Awareness Program on "Swachh Bharat Abhiyan"	18th August 2023	Govt. High School, Nellur	SDG 3, SDG 6, SDG 11	This session built awareness of sanitation and hygiene practices among students at Govt. High School, Nellur, tying everyday habits to public health and cleaner, more sustainable communities.
7	Social Awareness Program on "Online Transaction"	18th August 2023	Govt. High School, Nellur	SDG 4, SDG 8, SDG 9	Rural students were introduced to digital payment systems, giving them a practical grounding in financial inclusion and everyday technology use.
8	Social Awareness Program on "Digital Literacy – Computer Basics"	18th August 2023	Govt. High School, Neelur	SDG 4, SDG 9, SDG 10	This session covered foundational computer skills for rural students, helping narrow the digital divide and giving them more equitable access to technology.
9	Social Awareness Program on "Safe Touch and Unsafe Touch"	19th June 2024	Karnataka Public Govt. Primary & High School, Aurad(B), Kalaburagi Dist.	SDG 3, SDG 5, SDG 16	Young children were taught how to recognize and respond to inappropriate touch, an important step in child safety, abuse prevention and building gender-sensitive awareness from an early age.
10	Social Awareness Program on "Menstrual Hygiene and Reproductive Health"	19th June 2024	Karnataka Public Govt. Primary & High School, Aurad(B), Kalaburagi Dist.	SDG 3, SDG 5, SDG 6	This session covered menstrual hygiene management and safe sanitary practices, addressing reproductive health and dignity while encouraging more equitable attitudes around gender.

Sl. No	Activity Title	Date	Venue	SDG Goals Mapped	Justification
11	Social Awareness Program on "Road Safety"	19th June 2024	Karnataka Public Govt. Primary & High School, Aurad(B), Kalaburagi Dist.	SDG 3, SDG 4, SDG 11	Children were taught traffic rules and safe road practices, aimed at cutting down accident and injury risk and building safer habits in their communities.
12	Social Awareness Program on "Oral Hygiene"	19th June 2024	Karnataka Public Govt. Primary & High School, Aurad(B), Kalaburagi Dist.	SDG 3, SDG 4	Rural school children were introduced to basic oral health practices, giving them access to health knowledge they might not otherwise receive.
13	Social Awareness Program on "Climate Change and Health Care"	4th February 2025	Govt. Higher Primary School, ITAGA(A), Kalaburagi (North)	SDG 3, SDG 13	This session explained how climate change affects health, air and water quality, and the spread of disease, while also building the community's resilience to climate-related health risks.
