FACULTY OF ENGINEERING & TECHNOLOGY (CO-EUCATION)
DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING
STUDENTS ACHIEVEMENTS DETAILS

ACADEMIC YEAR 2025-26		
SL.NO.	NAME OF THE STUDENT	ACHEIVEMENT
1	Nikita Angadi Akshata S Biradar	Undergone Cybersecurity Finishing School Program conducted by the center of excellence for cyber security-Karnataka (Cyseck) at PDA college of Engineering, Kalaburagi. The program held from 27-10-2025 to 18-11-2025.
2	Sushmita Tengli Srushty Chikkalli Sanjana Tallall	Presented a paper in 3 rd International Conference on integrated Intelligence And Communication Systems(ICIICS-2026) Organized by Sharnbasva University Feb 2026
3	Vaishnavi	On the occasion of International Women's Day, won First Prize in the Solo Classical Bharatanatyam Dance Competition.
4	Sangamnath Veeresh Hiremath Veeresh AH Niranjan Srinivas Kadam Ankush Honnalli	Participated in Statewide Engineering IT Quiz, TCS Techbytes Organised by Tata Consultancy Service for IT Education Standards, Government of Karnataka
5	Ritika Sony Rakishta	Technical Paper Presentation in 5th regional conclave of students chapters (western region), AISSMS College of Engineering Pune
6	Veeresh Hiremath, Shivprasad, Soumyarani, Shifa Saniya	Technical Paper Presentation in 5th regional conclave of Students chapters (western region), AISSMS College of Engineering Pune
7	Manure sh Shivashankar Pravin M.H	Participated in Innovation, Design and Entrepreneurship(IDE) Bootcamp on April 2026 at CMR Engineering College Hyderabad Organized by All India Council for Technical Education (AICTE)
8	Chaitanya Bhavani Patil Neha R M	Participated in Innovation, Design and Entrepreneurship(IDE) Bootcamp on April 2026 at CMR Engineering College Hyderabad Organized by All India Council for Technical Education (AICTE)
9	Ankush Arun Niranjan	Participated in Innovation, Design and Entrepreneurship(IDE) Bootcamp on April 2026 at N B Navale Singhad College of Engineering Solapur,

	Prateek	Maharashtra, Organized by All India Council for Technical Education (AICTE)
10	Prakruti Patil Chaitra Kaveri Uppin Eshwari Valkeri	Participated in E-Tronics of TECHNOVISION-2026 organized by ISTE Students Chapter, Guru Nanak Dev Engineering College Bidar, April 2026
11	Priyanka Radhika Bhagyashree Abhsihek Talwar	Participated and Secured Runner Up 1 Event Project Expo Jnanotsava-2026(May) (Techno Cultural Fest) Organised by Sharnbasva University Kalaburagi
12	Ms. Shreegouri Ms. Shraddha Mr. Abhishek D Awati Mr. Nikhil Madiwal	Project Proposal Approved for Sponsorship by 49 th Series of Student Project Programme 2025-26Karnataka State Council for Science and Technology
13	Mr. Abhishek Mr. Aditya Mr. Abhijeet Mr. Prasad	Project Proposal Approved for Sponsorship by 49 th Series of Student Project Programme 2025-26Karnataka State Council for Science and Technology
14	Mr. Shridhar Ms. Preeti Mr. Sharan Kumar Ms. Vijaylaxmi	Project Proposal Approved for Sponsorship by 49 th Series of Student Project Programme 2025-26Karnataka State Council for Science and Technology
15	Mr.Veeresh Ms.Shifa Ms.Soumyarani Ms.Chaitanya	Secured 3 rd Prize Poster Presentation in IETE Zonal Seminar and ISF Congress Organised by IETE Kalburagi Centre during March 2026
16	Veeresh Hiremath Shifa Saniya Soumyarani Sangamnath	Participated in Project Competition in IETE Zonal Seminar and ISF Congress Organised by IETE Kalburagi Centre during March 2026
17	Ritika Sony Sushant Shakar Subhashree Soumya Pavitraa Aditya	Participated in Project Competition in IETE Zonal Seminar and ISF Congress Organised by IETE Kalburagi Centre during March 2026
18	Vaishnavi Salunke	Secured 1st Place in Dance Competition conducted by BBA (Exclusively for Women) Sharnbasva University Kalaburagi on Occasion of International Women's day 2026
19	Prakruti Udagi	Participated in Yukti- Regional level Techno management and cultural fest 2026, Dance Competition, and won first prize
20	Veeresh Hiremath Sangamnath Viswaradya	Participated in Yukti- Regional Level Techno management and cultural fest 2026, Quiz competition, and won second prize
21	Veeresh Hiremath Veeresh Matpathi	Participated in VYUHATECH 2.0-A 24 Hrs National Level Hackathon 2025 at CMRIT Bangalore
22	Renuka	Successfully Completed NPTEL Online Certification

	Sangeeta Saraswati Shivkumar Shirval Veeresh Mathpati	Course
23	Praveen Shradha Shivkumar	Participated in National Conference in Recent innovations in Engineering 4-12-2025-Department of Computer Science and Engineering and Allied barnches at KSIT Bengaluru.
24	Santosh Shashank Wali	Secured in Second Prize in Inter-College Project Expo Organised by ECE department of Global Academy of Technology in association with Techconnect Club and IEEE ComSoc Chapter Nov-2025
ACADEMIC YEAR 2024-25		
1.	Mr. Siddaling	He has successfully completed the 45 days internship on “Technology and Applications Projects Programme office” at U R Rao Satellite Center, Department of Space, Government of India, Airport Road, Vimanpura Post Bengaluru-560017, from 1-1-2025 to 14-2-2025.
2.	Mr. Vinaykumar	He has successfully completed the 45 days internship on “User Funded Projects Programme office” at U R Rao Satellite Center, Department of Space, Government of India, Airport Road, Vimanpura Post Bengaluru-560017, from 1-1-2025 to 14-2-2025.
3.	Mr. Ankit	He has successfully completed the 45 days internship on “Spacecraft Checkout Group” at U R Rao Satellite Center, Department of Space, Government of India, Airport Road, Vimanpura Post Bengaluru-560017, from 1-1-2025 to 14-2-2025.
4.	Mr. Niranjan Khadechur	He has successfully completed the 45 days internship on “Hybrid Micro Circuit Group” at U R Rao Satellite Center, Department of Space, Government of India, Airport Road, Vimanpura Post Bengaluru-560017, from 1-1-2025 to 14-2-2025.
5.	Mr. Shivakumar Gurupaappa Khyadi	He has successfully completed the 45 days internship on “Controls Systems Groups” at U R Rao Satellite Center, Department of Space, Government of India, Airport Road, Vimanpura Post Bengaluru-560017, from 1-1-2025 to 14-2-2025.
6.	Mr. Prahlad	He has successfully completed the 45 days internship on “Systems Integration Group” at U R Rao Satellite Center, Department of Space, Government of India, Airport Road, Vimanpura Post Bengaluru-560017, from 8-1-2025 to 14-2-2025.
7.	Mr. Achyut	He has successfully completed the 45 days internship on “Controls Systems Groups” at U R Rao Satellite Center, Department of Space, Government
		of India, Airport Road, Vimanpura Post Bengaluru-560017, from 1-1-2025 to 14-2-2025.

8.	Mr. Rakshit	He has successfully completed the 45 days internship on “Payload Data Management Group” at U R Rao Satellite Center, Department of Space, Government of India, Airport Road, Vimanpura Post Bengaluru-560017, from 1-1-2025 to 14-2-2025.
9.	Mr. Vivek, Mr. Basavaraj, Mr. Sharanabasava, Mr. Shrayas	Project title, “Automatic Fire Extinguisher Using Smart Car”, selected under 48TH Series KSCST STUDENT PROJECT PROGRAM-2024-25
10.	Mr. Sangamesh Mr. Siddram Mr. Venkatesh Mr. Veeresh	Participated in the Technovision-2025 held at SVERI’s Engineering college, Padharpur in association with IEEE Bombay section and received appreciation certificate.
11.	Mr. Pavan, Mr. Saikiranchandapur, Mr. Shashank Wali, Mr. Shrinival Kulkarni	Project title “GSM Based Multi Parameter Industrial Motor Control And Monitor” selected under 48TH Series KSCST STUDENT PROJECT PROGRAM-2024-25
12.	Ms. Varsha Ms. Soumya Ms. Shweta	Participated in paper presentation event during the District level competition on “World Water day”, organized by KBN University, Kalaburagi and secured 1 st prize and cash of worth 3000 rupees.
13.	Mr. SANGAMESH Mr. SIDDARAM Mr. VENKATESH	Participated in the project exhibition event during the District level competition on “World Water day”, organized by KBN University, Kalaburagi and secured 3 rd prize and cash of worth 1000 rupees.
14.	Ms. Shreegouri Ms. Savita	Participated in poster presentation event during the District level competition on “World Water day”, organized by KBN University, Kalaburagi and received appreciation certificate.
15.	Mr. Sangamesh Kadadi- Mr. Vineet Biradar Mr. Sunil Mr. Ambrish Mr. Jagadev Reddy	Won First prize in photography event in Technotsav-YUKTI-2025 at Lingaraj Appa Engineering College, Bidar
16.	Mr. Suman Sajjan	Won second prize in Circuit Mania event in Technotsav-YUKTI-2025 at Lingaraj Appa Engineering College, Bidar
17.	Ms. Shreegouri Ms. Savita C Mr. Shashank Wali	Won second prize in the PPT presentation event in Technotsav-YUKTI-2025 at Lingaraj Appa Engineering College, Bidar.
18.	Mr. Sangamesh Mr. Saichetan	Won second prize in group song event in Technotsav-YUKTI-2025 at Lingaraj Appa Engineering College, Bidar.
19.	Ms. Amtul Kuteja	Participated and completed AICTE-ATAL academy faculty development program on Artificial Intelligence driven Advances in VLSI IC Design for IoT Application on using Cadence tool, organized by BGS Institute of Technology, Mandya from 3-2-2025 to 8-2-2025.

20.	Ms. Archana S Ambaji	Participated and completed AICTE-ATAL academy faculty development program on Artificial Intelligence driven Advances in VLSI IC Design for IoT Application on using Cadence tool, organized by BGS Institute of Technology, Mandya from 3-2-2025 to 8-2-2025.
21.	Mr. Chandrakanth	Participated and completed AICTE-ATAL academy faculty development program on Artificial Intelligence driven Advances in VLSI IC Design for IoT Application on using Cadence tool, organized by BGS Institute of Technology, Mandya from 3-2-2025 to 8-2-2025.
22.	Ms. Prerana S Gour	Participated and completed AICTE-ATAL academy faculty development program on Artificial Intelligence driven Advances in VLSI IC Design for IoT Application on using Cadence tool, organized by BGS Institute of Technology, Mandya from 3-2-2025 to 8-2-2025.
23.	Ms. Shilpa S Biradar	Participated and completed AICTE-ATAL academy faculty development program on Artificial Intelligence driven Advances in VLSI IC Design for IoT Application on using Cadence tool, organized by BGS Institute of Technology, Mandya from 3-2-2025 to 8-2-2025.
24.	Mr. Abhishek Ravoor	Participated in the Essay competition on “ Role of Engineers in Building Nation”, on the occasion of Engineers day celebration, organized by Sharnbasva University, Kalaburagi.
25.	Ms. Shilpa Biradar	Secured first prize in the PPT presentation conducted by Department of MBA (Exclusively for Women), Sharnsbava University, Kalaburagi.
ACADEMIC YEAR 2023-24		
1	Ms. SHASHIREKHA PATIL Ms. SHRADDHA PADASHETTY Ms. SOUMYA KORISHETTY	Project title “Smart Dust Control and Monitoring System For Construction Sites” selected for KSCST 47 th series of Student Project Program (SPP) and received 5000 rupees cash.
2	Mr. Shivakumar S Uppin	Won the First prize in the 4x 400 mtr rile, in Dasara Sports, organized by Ministry of Youth affairs and sports, Govt. of Karnataka, district level. Date: 23-9-2023
		Won the second prize in the 200 mtr running race, in Dasara Sports, organized by Ministry of Youth affairs and sports, Govt. of Karnataka, district level. Date: 23-9-2023
		Won the second prize in the 4x 400 mtr rile, in Dasara Sports, organized by Ministry of Youth affairs and sports, Govt. of Karnataka, regional level. Date: 04-10-2023

		Won the second prize in the 200 mtr running race, in Dasara Sports, organized by Ministry of Youth affairs and sports, Govt. of Karnataka, regional level level. Date: 4-10-2023
3.	Mr Rakshit D	Won First prize in chess, Third prize in Disc throw on Annual sports (22nd April to 24th April 2024), organized by Sharnbasva University, Kalaburagi
4.	Mr Prajwal	Won Third prize in Shot put on Annual sports (22nd April to 24th April 2024), organized by Sharnbasva University, Kalaburagi
5.	Mr Shivraj	Won Second prize in running (800mtr) on Annual sports (22nd April to 24th April 2024), organized by Sharnbasva University, Kalaburagi
6.	Mr Rakshit and team	Won the first Prize in CRICKET on Annual sports (22nd April to 24th April 2024), organized by Sharnbasva University, Kalaburagi
7.	Mr Niranjana and team	won second Prize in FOOTBALL on Annual sports (22nd April to 24th April 2024), organized by Sharnbasva University, Kalaburagi
8.	Mr. Ganesh Mr. Ankit Mr. Prateek	Students Won The Third Prize In The Regional Level Techno-Cultural Fest, Organized By Visvesvaraya Technological University, Regional Center, Kalaburagi-Yukti-2024 and received cash prize of 2000 rupees.
9.	Mr. Abhishek Ravoor	Won the first prize in the Essay competition, on the topic Women Empowerment and Sharnbasva University, organized by Department of Kannada, Sharnbasva University, Kalaburagi on the view of University Foundation Day.
ACADEMIC YEAR 2022-23		
1.	Ms. Pooja B B Ms. Priyanka. Ms. Swati. Ms. Sufiya.	Students Won third prize in the 4th National Level Conference on Science and Technology in kannada 14,15 and 16 september 2022 Project Title: Forest Fire Detection System Using IoT
2.	Mr. Abhishek Ravoor	Won the second prize in the Essay competition, on the topic Role of Student and University, in Building Nation". organized by Department of Kannada, Sharnbasva University, Kalaburagi on the view of University Foundation Day
3.	Ms. Akshata K. Aldi	Presented paper "Design and verification of router-1 x 3 using verilog in modelsim" , in Three day National Conference during 1st to 3rd july 2022 on "Electronics engineering trends: The future of electronics & communication organized by Faculty of Engineering & Technology(Co-Education).
4.	Ms. Sheetal	Presented paper "Multistage spectrum sensing using energy detector", in Three day National Conference during 1st to 3rd july 2022 on "Electronics

		engineering trends: The future of electronics & communication organized by Faculty of Engineering & Technology(Co-Education).
5.	Ms. T Suda	Presented paper “Providing safety awareness in v2v communication”, in Three day National Conference during 1st to 3rd july 2022 on "Electronics engineering trends: The future of electronics & communication organized by Faculty of Engineering & Technology(Co-Education).
6.	Ms. Saleha Fatima	Presented paper “Wideband sensing spectrum using cognitive radio”, in Three day National Conference during 1st to 3rd july 2022 on "Electronics engineering trends: The future of electronics & communication organized by Faculty of Engineering & Technology(Co-Education).
7.	MS. Nagma Parheen	Presented paper “Circularly polarized T-square fractal microstrip patch antenna for RFID”, in Three day National Conference during 1st to 3rd july 2022 on "Electronics engineering trends: The future of electronics & communication organized by Faculty of Engineering & Technology(Co-Education).
8.	Mr. Ateeq Ur Raheman	Presented paper “Smart irrigation system”, in Three day National Conference during 1st to 3rd july 2022 on "Electronics engineering trends: The future of electronics & communication organized by Faculty of Engineering & Technology(Co-Education).
9.	Ms. Kavya K Patwari	Participated in the 4th National Level Conference on Science and Technology in kannada 14,15 and 16 september 2022. Received appreciation certificate. Project title : Smart solar power bank lightening applications for remote areas.
10.	Ms. Neeta	4th National Level Conference on Science and Technology in kannada 14,15 and 16 september 2022. Received appreciation certificate. Project title : Smart solar power bank lightening applications for remote areas.
11.	MS. Vanishree Math	Presented paper “compact split ring slotted pentaband rectangular microstrip patch antenna”, in 2 day National conference on "Recent trends in engineering and management studies(RTEMS-2022) held on 12th and 13th april 2022,sponsored by IETE & ISTE organized by Lingaraj appa engineering college, Bidar.
12.	Ms. Vanishree Math	Presented paper “Design of novel multi resonant rectangular slotted microstrip patch antenna”, in International conference on Multidisciplinary research-2022(ICMR-2022) during 22nd to 24th 2022 organized by sharnbasva university,Kalaburagi
13.	Ms. Saniya Sharmain	Published paper with title “Design and

		implementation of synchronous binary counter with variable clock for real time applications”, in International journal of scientific research in science and technology, vol.9, Issue 4, July-august 2022.
14.	Ms. Ayesha Farheen	Published paper with title “Implementation of modified PMOS biased sense amplifier using 180 nm”., in International journal of scientific research in science and technology, vol.9, Issue 4, July-august 2022.
15.	Ms. Vaibhavi Haveri	Published paper with title “Hierarchical dynamic key generation and selective transformation model for optimized AES block cipher core”, in International journal of scientific research in science and technology, vol.9, Issue 4, July-august 2022.
16.	Ms. Amtool Saboor	Published paper with title “Implementation of 24 bit multiplier using parallel multiplication with sorting based binary counters for VLSI applications”, In International journal of scientific research in science and technology, vol.9, Issue 4, July-august 2022.
17.	Ms. Vasia Ibatsaum	Published paper with title “A novel design of full adder using efficient MUX in QCA” in International journal of scientific research in science and technology, vol.9, Issue 4, July-august 2022.
18.	Ms. Sharada	Published paper with title “Area efficient vedic multiplier based on homogenous hybrid adder for RISC V applications” in International journal of scientific research in science and technology, vol.9, Issue 4, July-august 2022.
19	Ms. Sana Fatima	Published paper with title “Design of power efficient and modified transmission gate-based SRAM cell for IOT applications” in International journal of scientific research in science and technology, vol.9, Issue 4, July-august 2022.
20	Ms. Sunita Reddy	Published paper with title “Implemenation of segmentation based efficient imprecise multipliers with mux bsed full adders”, in International journal of scientific research in science and technology, vol.9, Issue 4, July-august 2022.
ACADEMIC YEAR-2020-21		
1	Mr. Ajay A K	Participated in 5th national level IEEE project competition-2021 organized by IEEE student branch(STB17861), GSSSIETW, Mysuru in association with IEEE bangalore section and IEEE mysore subsection. Received appreciation certificate. Project title: Smart Agricultural Drone
2	Mr. Avinash Katti	Participated in 5th national level IEEE project competition-2021 organized by IEEE student branch(STB17861), GSSSIETW, Mysuru in association with IEEE bangalore section and IEEE mysore subsection. Received appreciation certificate.

		Project title: Smart Agricultural Drone
3	Mr. Chandrakanth	Participated in 5th national level IEEE project competition-2021 organized by IEEE student branch(STB17861), GSSSIETW, Mysuru in association with IEEE bangalore section and IEEE mysore subsection. Received appreciation certificate. Project title: Smart Agricultural Drone
ACADEMIC YEAR 2018-19		
1.	Ms. Sangeeta Guttedar	Published paper with title “ Automatic vehicle speed controller system for accident prevention”, in International research journal of engineering and technology(IRJET), vol. 6, Issue 05, May 2019
2.	Ms. Poornima Hiremath	Published paper with title “ Design and implementation of ATM security system using IOT” in International journal for research in applied science & engineering technology, vol. 7, Issue VI, June 2019
3.	Ms. Suma Hiremath	Published paper with title “ Poster analysis and behavioural recognition of a child using IOT”, In International journal for research in applied science & engineering technology, vol. 7, Issue VI, June 2019
4.	Ms. Jyoti S Patil	Published paper with title “ Smart Railway system”, in International journal for research in applied science & engineering technology, vol. 7, Issue VI, June 2019.
5.	Ms. Poornima	Published paper with title “ Medical image fusion using DWT and SWT technique”, in International journal for research in applied science & engineering technology, vol. 7, Issue VI, June 2019.
6.	Ms. Nausheen Fatima	Published paper with title “ IOT Driven smart pill box to remind of consumption”, International journal for research in applied science & engineering technology, vol. 6, Issue 06, June 2019.
7.	Ms. Anjum ara	Published paper with title “Node MCU(ESP8266) control home automation using google assistant”, in International journal for research in applied science & engineering technology, vol. 6, Issue 07, July 2019
8.	Ms. Rajeshwari	Published paper with title “ An Augmented LED matrix display using FPGA”, International journal for research in applied science & engineering technology, vol. 6, Issue 05, May 2019.
9.	Mr. Ambrish Patil	Published paper with title “ Smart greenhouse using embedded system”, International journal for research in applied science & engineering technology, vol. 7, Issue 05, May 2019.

10.	Ms. Priyanka	Published paper with title “ Blood bank automation by RFID and web server”, International journal of scientific engineering and technology research, vol. 8, Jan-Dec-2019, pages: 171-174.
11.	Ms. M.H Sharanamma	Published paper with title “ Virtual banking system over IOT”, In International journal for research in applied science & engineering technology, vol. 7, Issue VI, June 2019.
12.	Ms. Pushpalata	Published paper with title “IOT based biometric finger print electronic voting system for rigging free governance”, International journal for research in applied science & engineering technology, vol. 7, Issue VI, June 2019.
13.	Ms. Ashwini S Koute	Published paper with title “ Study of Various Hybride PAN Sharpening Techniques”, in International journal for research in applied science & engineering technology, vol. 7, Issue VI, June 2019
