Our Strength

Poojya Dr. Sharnbaswappa Appaji Mahadasohi Peethadhipathi, Sharnbasveshwar Samsthaana President, Sharnbasveshwar Vidya Vardhak Sangha Chancellor, Sharnbasva University Poojya Doddappa Appa Founder President Sharnbasveshwar Vidya Vardhak Sangha

Poojya Chiranjeevi Doddappa Appa Mahadasohi 9th Peethadipatigalu Sharnbasveshwar Samsthana, Kalaburagi

OUR HERITAGE

The Sangha is named after Mahadasohi Sharnbasveshwar a mystic saint, a seer with a vision, a saviour of mankind and a divine universal teacher. He was one of the greatest humanitarian rarely found in the spiritual history of mankind. He attained divinity by living a way of life called Dasoha. His Dasoha philosophy is based on the precept- "No religion is greater than service; service to humanity is service to God".

Dedicating his life to the service of humanity, Sri Sharnbasveshwar followed Dasoha in all aspects-in healing the moral and spiritual wounds of the toiling and moiling masses, in feeding the poor, wiping the orphan's tears, soothing and guiding the sinner, serving the sick and curing the diseased by his extraordinary blissful spiritual blessings. Sri Sharnbasveshwar demonstrated to the world, both by precept and practice the external values and virtues of life, its essential goodness and oneness.

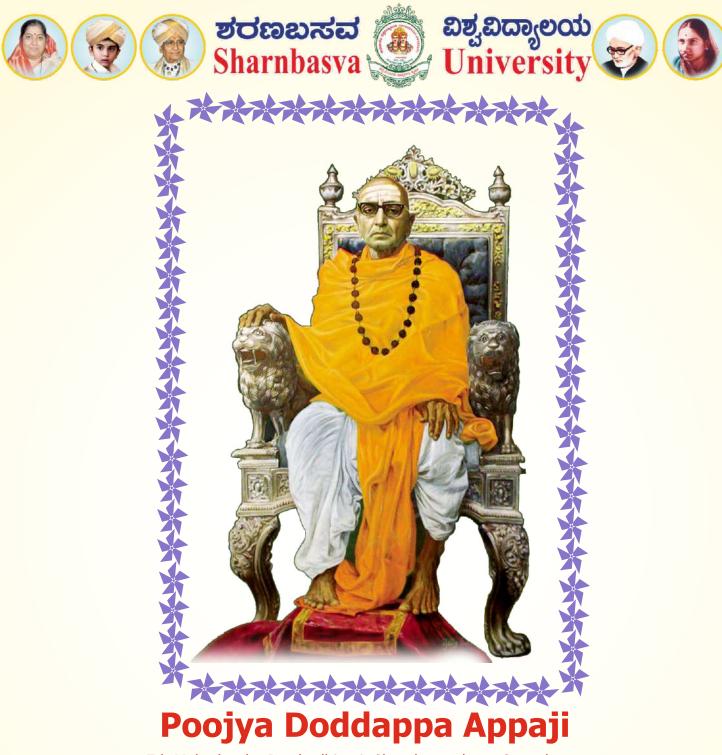

Mahadasohi Sri Sharnbasveshwar

Message: Service to Humanity is Service to God. This is Dasoha. He, who helps others alone, gets his desires fulfilled.

7th Mahadasoha Peethadhipati, Sharnbasveshwar Samsthana. Founder President, Sharnbasveshwar Vidya Vardhaka Sangha

Poojya Doddappa Appa has started first public library in 1918 at Gulbarga, initiating the era of mass education. In 1934 the first girls school in Kannada Medium was started i.e. Mahadevi Girls School. Empowering the women with the power of the knowledge

In 1951, Poojya Doddappa Appaji, completed the formal registration of the Sharnbasveshwar Vidya Vardhaka Sangha in the State of Hyderabad. Higher education (UG) started in the areas of Arts, Science and Commerce, in the year 1957.

From the Desk of the Chancellor

His Holiness Vidya Bhandari

Poojya Dr. Sharnbaswappa Appa

8th Mahadasoha Peethadhipati, Sharnbasveshwar Samsthan President, Sharnbasveshwar Vidya Vardhak Sangha Chancellor, Sharnbasva University, Kalaburagi

"No Religion is Greater than Service and Service to Humanity is Service to God".

Sharnbasva University has been established with a vowed principle of opening new vistas in the higher education to the bright young students and help them to shape up their academic and professional careers. The objective of this Centre of Excellence is to enhance the horizon of world knowledge through innovation and research. The University aims at upscaling the higher education to become the tools for achieving the academic excellence and to identify one's self identity.

The young and energetic team of the Sharnbasva University have committed themselves to carve a place of niche for the Sharnbasva University among the top University in the world by providing innovative courses coupled with quality teaching, our immediate aim is to get the University included in the list of the "Institutions of Excellence" announced by the Union Government and find a place of prime among the top 1100 Universities in the world. We follow the path laid by the 7th Mahadasoha Peethadhipati of the Sharnbasaveshwar Samasthan Poojya Doddappa Appaji by attaching at most importance to the women empowerment in all the activities of the University. Besides opening the first exclusive engineering college for the women in the entire North Karnataka, the University has exclusive sections for the women in almost all the faculties. The University also extends concessional fee structure for the women to promote higher enrollment of women in the higher Education.

Sharanbasaveshwar Vidya Vardak Sangha has a long tradition of providing quality education and developing independent scholarship and academic freedom. These qualities would be of great strength to the Sharnbasva University to foster a culture in which innovation and research played a decisive role.

Poojya Chiranjeevi Doddappa Appa

9th Mahadasoha Peethadhipatigalu Sharnbasveshwar Samsthana, Kalaburagi

Poojya Chiranjeevi Appaji, has been coronated as the 9" Peethadhipati of the Sharnbasveshwa Samsthana. He follows the age old tradition and practice of the eldest son of the existing Peethadhipati taking over the mantle of the Mahadasoha Peethadhipati of the 200 plus year old Sharnbasveshwar Samsthana.

Poojya Chiranjeevi Appaji is the only son of the 8" Peethadhipati of Samsthana Poojya Dr. Sharanabaswappa Appaji and the rightful heir to be crowned as the 9th Peethadhipati of the Samsthana.

He represents the proud lineage of the Appa family, which not only followed and broadbased the culture of Dasoha but also introduced the new concept of Jnana Dasoha of extending the quality education at affordable cost to the deprived sections of the society.

Poojya Matoshree Dr. Dakshayini S. Appa

Chairperson, Sharnbasveshwar Vidya Vardhaka Sangha Member BOG Sharnbasva University Kalaburagi

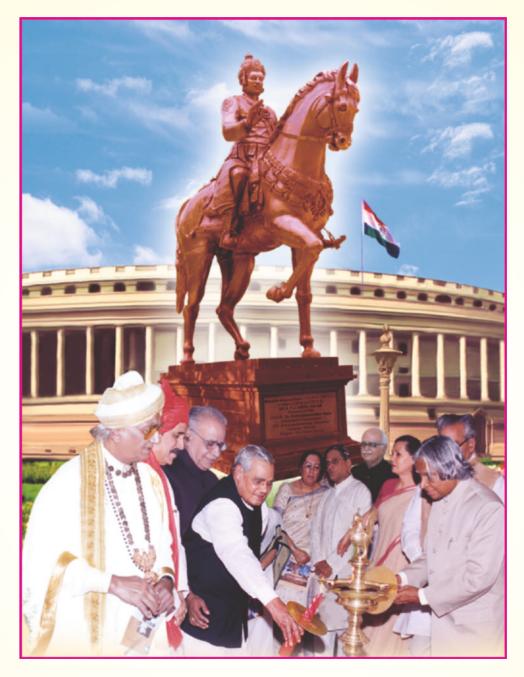

Poojya Matoshree Dakshayini Avvaji, Chairperson of the Sharanabasaveshwar Vidya Vardhaka Sangha and the Member of Board of Governors of the Sharnbasva University, was conferred with the Honorary Doctorate by the Davangere University in the month of September 2020. The award was formally conferred by the Vice Chancellor of Davangere University, Dr. Sharanappa V Halse at Dasoha Mahamane in Kalaburagi on 26th December 2020.

The Honorary Doctorate was presented to Avvaji in the presence of galaxy of personalities and religious heads of different religious mathas, 8th Peethadhipati of Sharnbasveshwar Samsthana and Chancellor of the Sharnbasva University Poojya Dr. Sharnbaswappa Appaji, Jagadguru Dr. Sarangadara Deshikendra Mahaswamigalu of Sarangamatha Srisailam, Parama Poojya Dr. Chennaveera Shivacharyaru Peethadhipati of Hiremath Samsthana Harkud in Bidar district, Poojya Dr. Rajashekhar Shivacharyaru of Chowdapuri Math, Poojya Siddamunindra Swamiji of Belagumpi and the elected representatives of the region and former legislators.

Dr. Halse declared that the prestige of the Davangere University had increased by leaps and bounds by honouring Matoshree Dakshayini Avvaji, with the Honorary Doctorate. 14 Personalities were considered for the honorary doctorate by the University, among them three names were short listed by the committee. The committee consisted of Dr. Ravindra, Former, Vice Chancellor of the Rajiv Gandhi University of Health Sciences, Prof. Karisiddappa Vice Chancellor of the Visvesvaraya University, Prof. Venugopal of Bangalore University. Three names selected by the committee were sent to the Governor Mr.Vajubhai Vala, who is the Chancellor of the University for his consent. Among the three names, the Governor selected the name of Poojya Matoshree Dakshayini Avvaji.

Poojya Matoshree Avvaji thanked the University for honouring her and dedicated the honorary doctorate to all the women of the Kalyana Karnataka region. She said that the honorary doctorate had increased her responsibility and said that this honorary doctorate had provided her more energy and zeal to work untiringly for the welfare of the deprived sections of the society, more particularly the destitute women, widows and the children from the lower strata of the society. She said that the Sharnbasveshwar Samsthana and the Sharnbasveshwar Vidya Vardhak Sangha was a beacon of hope for tens of thousands of students of the region and it had been providing shelter and knowledge to thousands of students through its selfless service. "And this service would continue forever and I dedicate my life for the welfare of the people of the region and assure everybody that I would till my last breath, serve the needy and deprived sections of the society".

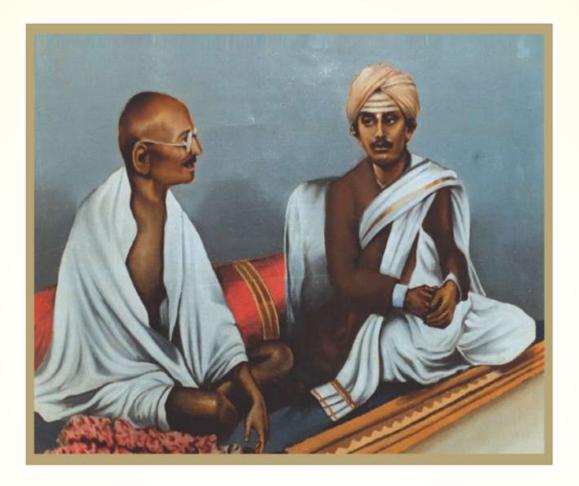

Poojya Dr. Sharnbaswappa Appa, Mahadasoha Peethadhipati, Shri Sharanbasaveshwar Samsthana, Kalaburagi has not only donated the equestrian statue of Mahatma Basaveshwar installed at 9th gate Parliament House, New Delhi and uneveiled on 28 th April 2003 by the President of India, Dr. A.P.J. Abdul Kalam, but has also contributed Rs. 50 Lakhs towards an estimated corpus fund of Rs. 2 Crores for conducting Annual National and International Seminars and Conferences at New Delhi to commemorate the statue installation and propogate the values and ideas of the Basavadi Pramathas

When the two Great Souls meet..

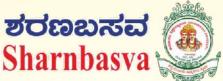

Mahatma Gandhiji and Poojya Doddappa Appa 22nd February 1927

Mahadasohi Doddappa Appa made his activities more dynamic by means of the Vidhya Vardhak Sangha. Gandhiji discarded foreign cloth and used only Swadeshi cloth, thus awakening in whole nation the spirit of patriotism and national independence. Similarly Mahadasohi Doddappa Appa discarded the Sundays which was given as a weekly holiday to the government servants by the British and also the Fridays which the Nizam gave and made Monday a weekly holiday to all the educational Institutions because Monday was the real folk holiday for the farmers who constitute 80% of our population. Even this irritated the Nizam. In this way Appaji inculcated patriotism and the importance of independence in the people

Dr. Radhakrishnan in divine company of Poojya Doddappa Appa at Dasoha Mahamane

President of India Dr. A.P.J. Abdul Kalam while holding the Appaji's Rudraksha, appreciated by saying, that it is very nice and beautiful and further said that he too has planted "Rudraksha Tree" in the garden of Rashtrapati Bhavan.

Prime Minister Indira Gandhi with Poojya Dr. Sharnbaswappa Appa at Dasoha Mahamane

SHARNBASVESHWAR VIDYA VARDHAKA SANGHA

Sharnbasveshwar Vidya Vardhak Sangha was founded in 1903 by Late Poojya Doddappa Appa, the 7th Peethadhipati of Sharnbasveshwar Maha Dasoha Samsthan, Gulbarga. It made a humble, yet a noble beginning with its first school housed in Mahadasoha Mahamane - the spiritual abode where Lord Sharnbasveshwar lived. Since then, it has never looked back and has grown into leaps and bounds, dedicating itself to the pursuit of service and excellence. In the course of time, it has grown into a mammoth educational centre imparting Science, Commerce, Arts, Management, Vocational, Engineering and Technical education to nearly 20,000 Students from LKG to PG in 40 institutions spending nearly 100 crore in the span of 100 years of its meaningful and eventful existence. Many dignitaries have visited our Sangha - including the father of our nation Mahatma Gandhi down to Dr. A. P. J. Abdul Kalam, the Former President of India. They have paid rich tributes to our Sangha as it has been rendering yeomen service by providing quality education to the people of backward region.

About Sharnbasva University

Sharnbasva University established in the year 2017, is the first private multi-disciplinary university in the entire North Karnataka providing avenues for students to pursue higher education in almost all fields of education such as Engineering, Management, Science, Commerce, Architecture, Pharmaceutical Sciences, Humanities and Social Sciences. Providing quality education at an affordable cost has been the hallmark of the university. The university has set itself on the path to one of the emerging centers of excellence and a world-class university, which is the dream of Poojya Dr. Sharnbaswappa Appa, the visionary chancellor of the youngest private university in the entire state.

The Sharnbasva University is backed by the rich legacy of more than 100 years of providing quality education to the deprived sections of the people in the educationally backward Kalaburagi and neighboring districts. The Sharnabasaveshwar Vidya Vardak Sangha, under whose aegis the Sharnbasva University is functioning, has the honor of starting the first school exclusively for girls way back in 1934 opening doors of learning to the girls. The legacy of providing optimum importance to girl education has continued to this day and the Sangha was the first to start an exclusive engineering college for women in the entire North Karnataka and the second in the entire Karnataka. This College is now part of Sharnbasva University.

DEAN Dr. Lakshmi Patil Maka M.Tech., Ph.D

FINANCE OFFICER Prof. Kiran Maka M.Tech.(Ph.D)

From the Desk of the Vice Chancellor....

Prof. Anilkumar G. Bidve Vice - Chancellor Sharnbasva University Kalaburagi

"The function of education is to teach one to think intensively and to think critically. Intelligence plus character — that is the goal of true education"

- Martin Luther King Jr.

The Sharnbasva University stands tall on the strong foundation of the true belief and vision of the great Educationists Poojya Doddappa Appaji, the 7th Peethadhipati of the Sharnbasveshwar Samasthan and the 8th Peethadhipati of the Samasthan, Vidya Bhandari Poojya Dr Sharnbaswappa Appaji of extending education at an affordable cost without compromising on providing quality education.

Gnyana Dasoha in the form of educational activities by the Sharnbasva University and the educational institutions run under the aegis of Sharnabasaveshwar Vidya Vardak Sangha, is the refinement of the philosophy of Dasoha (feeding the needy), professed by 18th Century Saint Lord Sharnbasaveshwar and followed spiritually till today by the successive Peethadhipatis of the Samasthan.

Sharnbasva University is the dream child of Poojya Dr Sharnbaswappa Appaji, who was responsible for the establishment of the Gulbarga University some 44 years ago, has been the inspirational force behind the transformation of the once educationally backward Kalaburagi into a major educational hub by starting chain of educational institutions and imparting quality education at an affordable cost. The University which is the first private University in the entire Kalyana Karnataka region is making rapid strides to achieve excellence in the academics with a avowed dream of becoming one of the best Universities in the country.

Not only the Sharnbasva University is youngest university, but its enthusiastic and well qualified young faculty is making ripples in the academic circles with their quality research work and adopting innovative teaching practices to produce finest young minds for the nation building activities.

The Sharnbasva University was one among the few private universities which was offering the multi disciplinary courses even before it was conceived in the New Educational Policy-2020 and was the first private university to offer the much neglected courses in Music and Fine Arts at the Post Graduate level.

The University is the first among universities to offer emerging courses like Artificial Intelligence and Machine Learning, and Artificial Intelligence and Data Sciences at both the undergraduate and postgraduate levels, producing young talent to meet the present and future requirements of the industry. Additionally, the University offers Energy Engineering at the undergraduate level, a course that is unique in North Karnataka and only offered by a private university in Bengaluru within the state. This prestigious course is also offered at IIT Mumbai, IIT Delhi, IIT Guwahati, and the IIT Delhi Campus in Abu Dhabi.

Besides this the University offers almost all the courses in the faculty of Engineering and Technology, Business Administration, Architecture, Science and Technology, Tourism and Travel, Languages, Social Sciences, Pharmaceutical Sciences, Computer Applications and others.

The University is standing example of women empowerment with Poojya Dr. Sharnbaswappa Appaji and Poojya Matoshree Dr.Dakshayini Avvaji giving special emphasis for the educational empowerment of the women by starting exclusive programmes for the women in the professional education including Engineering and Business Studies faculties. Women outnumber their men counterparts among the faculty strength and also at the admission of the students in the University.

VISION

- Enhancing the horizon of world knowledge by promoting international understanding through imparting quality education and creating value added skill based human resource.
- ✓ We aspire to become top ranking National and International Centre of Excellence producing high caliber leader and captains of Industry.
- ✓ Inculcating this spirit of **"Vasudaiva Kutumbakam"** (The World is one family).
- "Sakala Jeevathmarige Lesane Bayasuva" (Wishing the worldly good and betterment of all the living beings) is our moto.

MISSION

- ✓ Achieving academic excellence through innovatively designed, research intensive, industry-oriented education.
- ✓ Imbibing the culture of independent thinking, independent writing, independent speaking and independent living among the student in all the activities.
- ✓ Foster the spirit of National development and develop global competencies. Nurture creativity and encourage entrepreneurship and provide an education with rigor and relevance.
- Provide academically excellent, time efficient and cost effective higher education. Provide an education which enhances the ability of students to learn throughout the life.
- Ensure freedom of thoughts and expression and a campus without discrimination, encourage the spirit of questioning and ensure close inter-relationship between Teaching, Scholarship and Research.
- Develop and deliver distinctive and value driven academic programme that are flexible and responsible to Local, national and International needs.
- Cultivate academic, business and community driven partnership that positions the University as a leading choice for adult learners.
- ✓ To work effectively with other institutions and organizations, where such partnerships can lead to understanding research and teaching.

OBJECTIVES OF THE UNIVERSITY

The University shall employ a broad range of strategies to achieve its vision and objectives: -

1. To expand the horizon of world knowledge, provide instruction, teaching and learning including writing and reading, training, research and development at various levels such as Elementary Education, Secondary Education, Higher Education, in the subject disciplines such as :-

a) Engineering and Technology including Civil, Architecture, Mechanical, Automobile, Electrical, Electronics and Communication, Computer Science and Engineering, Information Technology, Design and Printing Technology including 3-D Environmental Engineering. Bio-technology, Space Technology, Nano-Materials and Technology and any other emerging areas including interdisciplinary etc.

b) Health Sciences including Medical, Dental, Ayurveda, Homeopathy, Naturopathy, Pharma, Nursing and any other emerging areas including interdisciplinary etc.

c) Agricultural Sciences and Technology School or College or Center.

d) Management and Technology including Business Management, Tourism Management, Hotel Management, Hospital Management, Disaster Management, Risk management and any other emerging areas of study including inter-disciplinary areas etc.

e) Natural Sciences including Physics, Electronics, Mathematics, Computer Science, Chemical and Environmental Sciences, Biological sciences, Earth Sciences, Space Sciences, Nano Science and Nano-Materials and any other emerging area of study including interdisciplinary areas etc.

f) Any other emerging areas or faculty or field of study across the globe.

2. To design and deliver high quality training, capacity building and development systems for teachers, teacher educators, teachers in higher and professional education Leadership training including political leaders, administrators and development professionals working in education and other systems.

3. To institute degrees, diplomas including PG diplomas, dual degree programmes, integrated courses, certificates and other academic distinctions like awards, award of credits on the basis of :-

a) Successful completion of academic work evaluated through multiple methods including modern methods of assessment.

b) Outstanding contributions like writing original book or books, research publications, services in the areas of cultural and spiritual by eminent persons in different areas of learning.

4. To collaborate with any other universities, research institutions, non-profit organizations, industry associations, professional associations or other organizations to conceptualize design, develop and offer specific educational and research programmes, training programmes and exchange programmes for students, faculty members and others.

5. To disseminate knowledge and develop a public debate on issues of education and allied development fields through series of lectures, seminars, conferences, executive education programmes, community development, programmes, publications and training programmes and events.

6. To initiate and undertake programs for the development and training of faculty, researchers, and support staff of the University in partnership, collaboration, co-operation, joint venture, strategic or any other form of mutually beneficial relationship with any other institution or institutions of similar vision, mission, strategic architecture and objectives.

7. To undertake collaborative research and advocacy with any organizations.

8. To undertake necessary or expedient action to pursue and promote the objectives of the University.

9. To pursue any objectives as may be approved by the government for the enhancement of the education and other development sectors.

A candidate who has passed qualifying examination or e examination as prescribed by the Competent Authority and obtaggregatefminimum 50% marks taken together in all the subjec the years semesters of the B.Tech. Degree Examination is el admission to M.Tech. Courses (45% of marks in Q.E. in case of S Categor 1 of Karnataka Candidates) KEA PGCET/GATE/Sharnbasva University Entrance Exam Rank H
4	BBA	1. Passed in 2 PUC/ 10+2/ ITI/ Equivalent Exam obtained an aggre
5	BBA(Logistic)	45% marks (40% fmarks for SC,ST and OBC)
6	BMS(Aviation Services & Air Cargo)	
7	BBA (Tourism & Travel	
8	MBA (HR, Finance, Marketing)	 A candidate who has passed cognized Bachelor's Degree examination of at least 3 years duration or an equivalent examination
9	MBA (Tourism & Trave	obtained a minimum aggregate of 50% marks, including language all years of the degree examinations, is eligible for admission courses(45% of marks in Q.E. in the case of SC, ST, and Gator Karnataka candidates). 2. CAT/MAT/KEA PGCETYMAT/CMAT/Sharnbasva University Entra Exam Rank Holders
10	MBA (Hospital Manegeme≬t	 A candidate who has passed a recognized Bachelor's degree BAMS, BHMS, B.Sc (Nursing), B.Pharm, BDS, B.Sc, B.Com, BE B.Tech, B.Arch) examination of a minimum of 3 years durati equivalent examination and has obtained an aggregaterminifiem % marks, including languages, across all years of the degree exam is eligible for admission. (4059% marks in Q.E. in the case of SC, ST, Category of Karnataka candidates). CAT/MAT/KEAPGCET/KMAT/CMAT/Sharnbasva University Ent Exam Rank Holders.
11	MCA	 A candidate who has passed BCA/Bachelor degree in Compute and Engineering or equivalent degree or passed B.Sc/B.Com Mathematics at 10+2 level or at graduation level, and has ob least 50% marks (450% marksfor SC/ST and Categoryf Karnatak candidates) in the qualifying examinations. KEA PGCET/KMAT/ Sharnbasva University Entrance Exam Rank H
12	BCA	1. Passed in 껃PUC/1호Std/ equivalent exam and obtained an aggre of minimum 45% marks in all the subjects. (40% of marks for SC CAT-I, 2A, 2B, 3A and 3B) of Karnataka Candidate. 2. Sharnbasva University Entrance Exam Rank holders.
13	MA (Kannada)	1. A candidate who has passed recognized Bachelor's Degree in B.
	()	

COURSES OFFERED AND ACADEMIC ELIGIBILITY

14	MA (English)	1. A candidate who has passed recognized Bachelor's Degree in B Basic English as one of the optional Languag뱓 suprhoe ster and obtained an aggregate of minimum 50% marks in all the subject of marks for SC, ST and Categroanyd 45% for OBC (2A.2B,3A & 38 Karnataka Candidate. 2. Sharnbasva University Entrance Exam Rank holders.
15	MA (Journalism & Ma Communication)	 A candidate who has passed a recognized Bachelor's degree ex of a minimum of 3 years duration or an equivalent examinatic obtained an aggregate minimum of 50% marks in all subjec marks for SC, ST, and Categand 45% of markor DBC (2A, 2B, 3 and 3B) candidates of Karnataka).
16	MA (Visual Art)	 Sharnbasva University Entrance Exam Rank holders. A candidate who has passed a recognized degree in B.V.A./ Fine Art/B.A. with Fine Art as one of the optional subjects, or degree considered equivalent to B.V.A., and has obtained an ag minimum 50% marks in all subjectsof40% arks for SC, ST, a Category I and 45% of marks for OBC (2A, 2B, 3A, and 3B) car Karnataka). Sharnbasva University Entrance Exam Rank holders.
17	MA (Music)	 A candidate who has passed recognized Degree in BA Music/Sangeet Senior Exam Conducted by SSLC Board, Karnataka/Sangeet Visharad Akhil Bharat Gandharva Mahamandal, Mumbai and obtained an aggregate of mini marks in all subje (40% of marks in case of SC, ST and Caltegoor 45% of marks for OBC(2A, 2B, 3A and 38 of Karnataka Candida 2. Sharnbasva University Entrance Exam Rank holders.
18	M.Sc (Physics)	 A candidate who has passed recognized B.Sc Degree examin Physics as one of the optional subject and obtained an ag minimum 50% marks in all the subjects (40% of marks in case and Category and 45% of marks for OBC (2A, 22B), CB 2AB of Karnata Candidate). Sharnbasva University Entrance Exam Rank holders.
19	M.Sc (Mathematics)	 A candidate who has passed recognized B.Sc. and BA Degree exwith Mathematics as one of the optional subject and ob aggregate of minimum 50% marks in all the subjects (40% of marks of SC, ST and Category and 45% of marks for Q2PC, 2B, 3A and 3B Karnataka Candidate). Sharnbasva University Entrance Exam Rank holders.
20	M.Sc (Botany)	 A candidate who has passed recognized B.Sc. Degree examin Botany as one of the optional subject and obtained an ag minimum 50% marks in all the subjects (40% of marks in case and Categony and 45% of marks for OBC (2A, 2ab)d3 (BB) o Karnataka Candidate. Sharnbasva University Entrance Exam Rank holders.
21	M.Sc (Zoology)	 A candidate who has passed recognized B.Sc. Degree examin Zoology as one of the optional subject and obtained an ag minimum 50% marks in all the subjects. (40% of marks in cas and Categony and 45% of marks for OBC (2A3A2Bnd 3B) of Karnataka Candidate. Sharnbasva University Entrance Exam Rank holders.
22	M.Sc (Data Science)	 Candidates with B.E/ B.Tech/BCA/ B.Sc with a minimum mai (45% for SC/ST/GA3tudents of Karnataka) or above marks in aggrega any recognized hiversity in India or abroad recognized by UGC and Gov of Karnataka are eligible to apply. Sharnbasva University Entrance Exam Rank holders.
23	M.Com	 A candidate who has passed recognized B.Com or BBM equivalent examination and obtained an aggregate of mini marks in all the subjects (40% of marks in case of SC, ST and and 45% of marks for OBC (2A, 2B, 3A and 3B) of KGamadialkate.

COURSES OFFERED AND ACADEMIC ELIGIBILITY

24	MA/MSc (Yoga)	 Candidates with any degree with minimum marks of 50% (45 SC/ST/CATI students of Karnataka) or above marks in aggregate fron recognized university in India or abroad recognized by UGC Government of Karnataka are eligible to apply. Sharnbasva University Entrance Exam Rank holders
25	B.Pharm	 Candidate shall have passed 10+2 examination conducted b respective state/central government authorities recognized as equi to 10+2 examination by the Association of Indiaiversities (AIU) wit English as one of the subjects and Physics, Chemistry, Mather (P.C.M) and or Biology (P.C.B / P.C.M.B.) as optional subjects individ Any other qualification approved by the Pharmacy Council of In equivalent to anyfothe above examinations Sharnbasva University Entrance Exam Rank holders
26	D.Pharm	 Candidate shall have passed 10+2 examination conducted b respective state/central government authorities recognized as equi to 10+2 examination by the Association of Indian Universities (AIU English as one of the subjects and Physics, Catern, Mathematic (P.C.M) and or Biology (P.C.B / P.C.M.B.) as optional subjects individ Any other qualification approved by the Pharmacy Council of In equivalent to any of the above examinations. Sharnbasva University Entrance Exam Rank holders
27	Ph.D	1. Candidates for admission to the Ph.D programme shall have a Ma degree or a professional degree declared equivalent to the Ma degree by the corresponding statutory regulatory body, with atleas marks (50% for the SC/ST and OBC candidateagigregate or its equivalent grade "B" in the UG\$ dint scale (or an equivalent grade a point scale wherever grading system is followed) or an equi degree from a foreign educational institution accredited t Assessment and Accreditation Ageswchyich is approved, recognized authorized by an authority, established or incorporated under a law home country or any other statutory authority in that country for purpose of assessing, accrediting or assuring quality and standa educational institutions.

Lateral Entry Academic Eligibility

ſ	B.Tech	1.	A candidate who has passed any diploma examination or equivalent examination
	[Engineering/Technology		and obtained an aggregate minimum of 45% marks in all subjects of the final year
	courses]		(fifth and sixth semesters) of the diploma examination (Q.E.) is eligible for
			admission to B.Tech courses. The minimum required is 40% marks in Q.E. for SC,
			ST, and other Backward Classes (Cat -1, 2A, 2B, 3A, and 3B) candidates of Karnataka.
		2.	KEA DCET/ Sharnbasva University Entrance Exam Rank holders

Harbinger of Quality Education

Sharnbasva University is the dream child of visionary educationist and Chancellor of the University.

Poojya Dr Sharnbaswappa Appaji and the growth from a primary school to the University was phenomenal and unparalleled in the annals of any educational institution.

It was the Poojya Doddappa Appaji, the 7th Peethadhipati of the Sharnbasaveshwar Samsthana and the father of the present Peethadhipathi Poojya Dr. Sharnbaswappa Appa, who laid the foundation stone for all the educational activities of the Sharanabasaveshwar Vidya Vardhak Sangha and his successor Dr. Appaji gave new wings to the activities of the Sangha by starting a chain of educational institutions including Post-Graduate centres and Engineering colleges in the region.

Poojya Dr. Appaji was instrumental in converting the once educationally backward Kalaburagi district into a major educational hub in Karnataka by opening new avenues for the children of the region to shape their academic careers in the educational institutions established by the Sangha. Establishment of the University is also a dream come true for the Sharanabasaveshwar Vidya Vardhak Sangha which first established a school way back in 1903 and after more than 100 plus years, the Sangha achieved the gigantic leap to establish the Sharnbasva University.

Unlike other private universities, which were started with the sole purpose of starting professional and other mother spinning courses, the Sharanbasva University had adopted a holistic approach by offering academic careers in all streams including the professional courses.

BEST PRACTICES

- Pioneering 60 minutes class norm to bring the best out of the students and introducing new concept for the students to listen, discuss and write what they have learnt on the same day in the class rooms.
- Ensuring uniformity and ending discrimination among the students by adopting compulsory uniform for both the faculty members and the Students.
- Promoting the spirit of Independent Thinking, Learning and Living is the emphasis of the education policies of the University.
- Zero Tolerance to ragging and all forms of harassment to the students in the campus and hostels. Complete security to the students inside the Campus and Hostels.
- First pioneering university to march swiftly towards converting campus into green by tapping renewable sources of energy and saving every drop of water in the campus to meet its energy and water requirements.
- University attaches prime importance to the cordial relation between Teachers, Students and Society.
- University is providing clean, filtered and portable drinking water through its RO plants to its staff and students alike.
- University moving towards achieving the ambitious target of providing fully air conditioned classrooms in all the faculties.
- Regularly update curricula to reflect current trends and advancements in various fields, includes interdisciplinary courses to provide a broad perspective and foster critical thinking.
- Provide adequate funding and resources for faculty and student research.
- Regularly collect and analyze feedback from students on courses, teaching methods, and campus facilities and implement changes based on feedback to continuously improve the student experience.
- Encourage faculty and students to participate in community service and outreach programs.

Student Facilities Available in the University

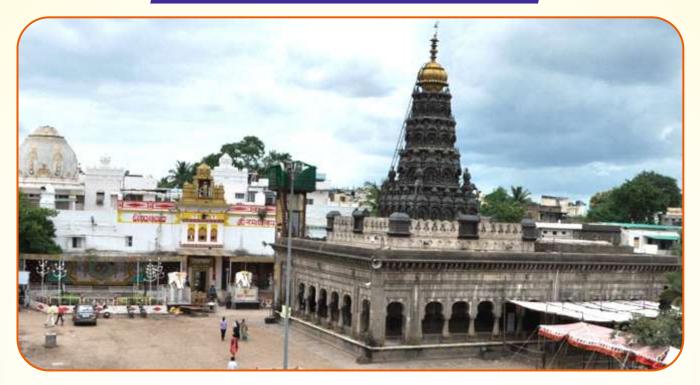

- Barrier free built environment for disabled and elderly
- Fire Safety Facility
- Portable R/O Drinking Water
- Cashless Digital Payment
- Transport Facility
- Hostel Facility for both boys & girls
- MOOCS Course through Swayam Platform
- First Aid & Sick Room Facility

- Smart Class Room
- Digital Library
- Rain Water Harvesting
- Grid Connected Solar Roof Top Power Plant
- CCTV Vigilance
- Play Field
- Indoor Sport Complex
- Shranbasva Prasad Nilaya

SHARNBASVESHWAR SAMSTHANA

Established in the 18th Century, the Sharnbasveshwara Samsthana has a rich cultural heritage and was primarily responsible for setting the tone for the culture of 'Dasoha' (Giving or Satisfying the Needs of the Needy). The Samsthana which began its selfless service by providing the needy millions free food during the worst ever famine in the year of its establishment expanded its horizons of activities by quenching the thirst of the knowledge to the billions of the deprived sections of the society.

The name of the Samsthana derives from the mystic saint par excellence Mahadasohi Sharnbasveshwar, who with his selfless service to the people in need has been recognized by the devotees as a great humanitarian and was embodiment of Dasoha culture. The principles of Sharanabasaveshwar on which institutions are built and operated is that "No Religion is Greater than service to humanity is service to God...It is beautiful thing, You serve humanbeings. You are serving the God, it is very inspiring indeed" These were the words of praise by former President late Dr APJ Abdul Kalaam during his visit to Samsthana.

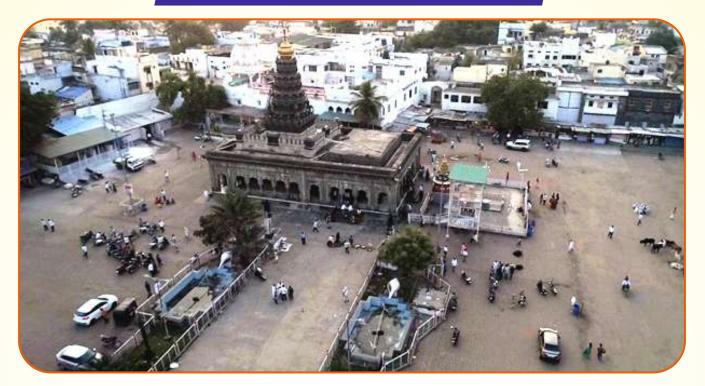

The life of Saint Sharanabasaveshwar itself is an example of supreme sacrifice for the sake of suffering humanity. It was this saint who made the Dasoha philosophy a way of life and set an example or other religious maths to follow the principles of Anna Dasoha.

In the 19th Century major portions of the region faced one of the worst ever famine with scores of people falling prey to the hunger deaths. It was at this time when Saint Sharanabasaveshwar who was on his pilgrimage to Basavakalyan saw the sufferings of the people and decided to devote his life to provide relief to the needy people. As per the legend the Saint used to reach out the rich landlords in the region by foot and collect the food grains to start gruel centres in different parts of the district to provide succor to the hungry masses.

SHARNBASVESHWAR SAMSTHANA

Even today the tradition of the people, particularly, the farmers of the regions donating part of their harvested foodgrains to the Dasoha Mahamane in the Sharanabasaveshwar Samsthana to feed the devotees visiting the temple continued. In the selfless service rendered by Saint Sharanabasaveshwar to alleviate to the suffering of the hunger struck humanity, the contribution and support extended by his contemporary Adi Doddappa Sharanaru, a rich landlord of the region, was immense and both served the humanity like the twins and remained like siamese twins throughout their life.Saint Sharanabasaveshwar and Adi Doddappa Sharanaru in their long association had lived and followed the principles of Guru-Shishya tradition. It was Poojya Adi Doddappa Sharanaru who succeeded Saint Sharanabasaveshwar as the second peethadhipati of the Samsthana after the Saint, the first peethadhipati, attained Samadhi.

The fire lighted in the kitchen established by Saint Sharanabasaveshwar in the Sharanabasaveshwar Samsthana in the 18th Century, to provide gruel to the people facing one of the worst famine, is still kept alive and even today the devotees visiting the Sharanbasaveshwar Shrine to pay their obeisance from far and near are never allowed to go with their empty stomach and free 'prasada' (food) is provided in a conducive environment in the Dasoha Mahamane in the Sharanabasaveshwar Shrine premises.

The traditions setforth by Saint Sharanabasaveshwara and Doddappa Appa in the 19th Century has been followed religiously by the successive Peethadhipati's of the Sharanabasaveshwar Samsthana and the Shrine is a must visit place daily for every devout Hindu living in Kalaburagi city and any religious ceremonies and festivals performed by the temple throughout the year is practiced as their own festivals by every single house in the Kalaburagi city.

SHARNBASVESHWAR SAMSTHANA

As a furtherance to the philosophy of Dasoha, the 6th Peethadhipati of the Sharanabasaveshwar Samasthana established the Sharanabasaveshwar Vidya Vardhaka Sangha in 1903 and this signaled the unending journey of Samsthana and Sangha in providing Shikshana Dasoha (Educational Service) alongside the Anna Dasoha. The first school of the Sangha was established in the Dasoha Mahamane way back in 1903 and this has blossomed like a beautiful lotus as a full fledged private university -Sharanbasva University, the first in the entire Hyderabad Karnataka region.

In the field of Education, the Sangha had achieved many firsts including the first public library established in 1918 by the 7th Peethadhipati Poojya Doddappa Appaji, father of the present Peethadhipati Poojya Dr Sharnbaswappa Appaji. The concept of starting a public library in the year 1918 got the rare appreciation from none other than the then President Dr APJ Abdul Kalaam during his visit to Kalaburagi to inaugurate the centenary celebrations of the Sangha.

The Sangha was also the first to establish a girls school way back in 1934, at the time when the education to the women was a far cry. Incidentally 1934 is also the Birth year of the present Peethadhipati Poojya Dr Appaji. It was the strong commitment of Poojya Doddappa Appaji towards women's empowerment that gave the new avenues of education to the girls in the region. The Sangha had arranged horse drawn "Tangas" to ferry the girl students from their individual houses to the school. The Sangha's initiatives did not limit to the conventional courses, but was the first institution to start the Post Graduate course in Fine Arts and Music.

Continuing this tradition of women empowerment in the field of education, the present Peethadhipati of the Samasthana and President of the Sangha Poojya Dr Appaji established the first engineering college exclusively for the women in the entire North Karnataka in 2011. The Godutai Engineering College for Women started by the Sangha was a huge success and not a single seat in the different courses offered by the college went unfulfilled from the day the college began functioning.

SHARNBASVESHWAR SAMSTHANA

Although Poojya Doddappa Appaji gave the required fillip to the educational activities of the Sangha by starting series of educational institutions including degree colleges in the region, the period of his successor Poojya Dr Sharnbasawappa Appa is considered as the golden age for the Sangha and it was during his reign the Sangha stepped into the horizon of the higher education and professional education by starting four engineering colleges, umpteen number of Post Graduate programmes, including the MTA (Tourism). More than 25,000 students pursue their different academic courses of their choice in the institutions under the Sharnbasva University & the educational institutions under the Sharanabasaveshwar Vidya Vardhaka Sangha. There were 3000 plus teaching and non teaching staff in the four campuses of the University at Kalaburagi, Basavakalyan and Bidar in Bidar district and Surpur in Yadgir district). The Sangha was also the first in the entire region to establish Engineering Colleges in remote taluk Headquarters at Basavakalyan in Bidar district and Surpur in Yadgir district.

Starting the Engineering colleges at the remote taluk headquarters provided the much needed opportunity to the students, particularly the women to pursue professional courses and many students have passed out with distinction and ranks from these two engineering colleges at Surpur and Basavakalyan.

Quality Education is the hallmark of both the Sharnbasva University and the Sharnabasaveshwar Vidya Vardhaka Sangha and there are no compromises on the quality of the teaching staff and only the best available human resource is selected and the hardworking teaching staff and equally merited students have brought laurels to the University and Sangha by gaining fruitful employment in the campus interviews by the reputed companies.

GREEN INITIATIVE

The Sharnbasva University is the first University in the entire North Karnataka to step into the zone of tapping the renewable energy sources to meet the entire power requirement of the University and also use every drop of rain water for meeting the water requirement of the University as a step forward to convert the University campus a green one.

ವಿಶ್ವವಿದ್ಯಾಲಯ

niversity

The University which has set an example in creating one of the largest rain harvesting structure in the engineering colleges in the campus in Kalaburagi city, is now all set to inaugurate the 400 KV solar power generation from the solar panels installed on the roof tops of the 11 buildings of the University to meet 75 per cent of the power requirement of the University. This is one of the biggest grid connected roof top solar power plant in the state duly approved by the GESCOM.

No other university, whether it is a private or a conventional university in the entire North Karnataka region, has taken such an initiative for the production of green power through a renewable source of energy and contributing their might to prevent serious environmental damage.

Chancellor of the University Poojya Dr Sharnbaswappa Appa is the guiding force behind the initiative for tapping the solar energy. The production of the solar energy in the University campus would not only cut down the expenditure on the payment of electricity charges every month to the tune of Rs. 3 lakhs every month, the University would be contributing its might for the reduction of the carbon print on the environment.

As per an estimation 920 grams of carbon footprint is left behind in the production of one unit of power in a thermal power plant and by producing 400 KV power tapping the solar energy the University helped in preventing 960 tonnes of carbon footprint on the environment every year.

One of the striking features of the entire initiative was that University has not spent even a single rupee in the entire initiative and the Ahmedbad based Gensol Engineering Pvt Ltd has invested nearly Rs 3 Crore for installing 1875 solar panels in an area of 10,360 square meters in the roof tops of 11 buildings.

They said the University on its part, as per the power purchase agreement entered between the University and the GENSOL, the University would purchase the power generated from the solar panel at a cost of Rs 3.64 paise per unit for 25 years from the day of production. At present the University is paying Rs 7.40 per unit to the GESCOM for the power supplied to the University now.

The installation of the solar panel has been completed in a record time of eight months and the University has already written to the GESCOM for the grid connectivity so that the power production could begin immediately.

Conference & Workshops

The IEEE International Conference on Integrated Intelligence and Communication Systems (ICIICS-2023) will be held at Sharnbasva University in Kalaburagi, Karnataka, on November 24–25, 2023 in hybrid mode. The conference is intended to provide a common platform for researchers, academicians, scientists, industrial practitioners, engineers, and scholars in the field of Integrated Intelligence and Communication Systems. The ever-changing scope and rapid development in Integrated Intelligence and Communication Systems create new problems and questions, resulting in the real needs for sharing brilliant ideas and stimulating good awareness of this important research field. The primary objective is to create a networking stage for intellectuals to exchange their ideas and findings for technological evolution to benefit society. It is expected to bring the global researcher community together for knowledge sharing, innovation, and technological achievements. This peer reviewed Conference provided a setting for discussing recent developments in a wide variety of topics including Image and Video Processing, Cloud-based Communication Systems, Intelligent Sensing and Sensor Networks. Authors are solicited to contribute to the conference by submitting articles that illustrate research results, projects, experimental works, and industrial experiences that describe significant advances within the scope of the conference. This conference provided all attendees with the opportunities to meet and interact with one another, discuss about their ideas and to build international links for future collaborations. Among the 1207 submissions, 296 papers received the final acceptance, out of which this volume encompasses 287 registered papers that were presented in the conference.

Five Days Hands-on Training on Internet of Things (IoT)

Sharnbasva University is excited to offer an intensive five-day hands-on training program on the Internet of Things (IoT). This workshop provides participants with practical experience and a deep understanding of IoT technologies and applications. The curriculum covers essential topics such as Embedded C Programming, sensor interfacing, cloud integration, MQTT protocol, Bluetooth Low Energy, and LoRa WAN technology. Participants will engage in hands-on sessions with open-source hardware like ESP32, develop applications using analog and digital sensors, and learn to interface with actuators.

Throughout the program, attendees will gain valuable skills in creating sensor data JSON formations, updating firmware for private clouds, and using NODE-RED for MQTT publish-subscribe models. The training also includes practical exercises on registering gateways and application servers, interfacing end devices, and monitoring real-time data using third-party applications. By the end of the workshop, participants will be equipped with the knowledge and tools to develop and implement innovative IoT solutions, preparing them for the challenges and opportunities in the rapidly growing field of IoT.

2nd International Conference on on 6G Communications Networking and Signal Processing (SGCNSP-2024) will be held at Sharnbasva University in Kalaburagi, Karnataka, on 13th July 2024 in online mode. The conference aims to bring together researchers and practitioners working on computing, communications, and security aspects, providing a forum to present and discuss emerging ideas and trends in this highly challenging research field. The event will feature several pioneering researchers, including IEEE Fellows and prominent industrialists, who will deliver insights into future research directions. Selected accepted papers will have the opportunity for possible publication in Springer Nature's "Lecture Notes in Electrical Engineering." We look forward to welcoming participants from around the globe to Sharnbasva University for SGCNSP-2024, fostering an environment of innovation, collaboration, and excellence in the field of 6G communications and networking. The SGCNSP-2024 has attracted around 200 participants across the world which includes PG students, Research scholars, Academicians and Industry persons.

Cisco Networking Academy :

At Sharnbasva University, the Cisco Networking Academy empowers students with the latest skills and knowledge in networking technologies. Through a comprehensive curriculum and hands-on learning experiences, students gain expertise in network design, implementation, and management. This academy prepares students for industryrecognized certifications and equips them with the capabilities to excel in the fast-evolving field of network engineering.

Red Hat Academy :

Sharnbasva University's Red Hat Academy offers a robust program designed to deliver in-depth knowledge and skills in Linux and open-source technologies. This academy bridges the gap between education and industry by providing students with access to Red Hat's industry-leading curriculum and resources. Graduates of this program are well-prepared for careers in system administration, cloud computing, and IT infrastructure management.

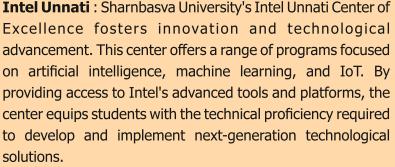

AWS Academy :

The AWS Academy at Sharnbasva University provides students with cutting-edge education in cloud computing. Through this program, students gain practical experience with AWS technologies, learning to design, deploy, and manage scalable and secure cloud solutions. The academy prepares students for AWS certification exams, equipping them with the skills needed to thrive in the rapidly growing cloud industry.

ಶರಣಬಸವ

Sharnbasva

IBM Innovation Center for Education (ICE) : The IBM Innovation Center for Education (ICE) at Sharnbasva University integrates academic learning with industry expertise. This center offers specialized programs in data science, cybersecurity, and enterprise computing, using IBM's cutting-edge technologies and resources. Students gain hands-on experience and industry-relevant skills, making them highly competitive in the job market.

Medini Eduphygital : The Medini Eduphygital Center at Sharnbasva University blends traditional learning with digital technologies to enhance educational experiences. This center focuses on creating innovative learning environments that combine physical and digital resources, providing students with interactive and immersive educational opportunities. The Eduphygital approach ensures students are well-equipped for the dynamic demands of modern education and industry.

Animal House Facility : The Department of Zoology at Sharnbasva University, Kalaburagi, established its Animal House Facility in 2023. This facility is registered as a Small Animal Facility with the Committee for the Purpose of Control and Supervision of Experiments on Animals (CPCSEA), under the Ministry of Environment and Forests, Government of India, New Delhi. Our registration number is 2236/PO/ReBiBt/S/23/CCSEA. All laboratory animal breeding and research activities at our facility adhere strictly to CPCSEA guidelines. We provide a controlled environment for various small animals, including rats, mice, guinea pigs, and rabbits, to support diverse research projects

INCUBATION CENTER

New Age Incubation Network (NAIN)

The New Age Incubation Network (NAIN) is an initiative by the Government of Karnataka designed to foster entrepreneurship and innovation among young students. This program provides funding, mentorship, and incubation support to develop innovative projects and startups. Recognizing the infrastructure and research capabilities of Sharnbasva University of Engineering and Technology, Kalaburagi, the Government of Karnataka, Department of IT, BT, and S&T has sanctioned a NAIN center at our university. NAIN centers, funded entirely by the government, are established in various districts across Karnataka through K-tech innovation hubs.

Under NAIN, students are encouraged to tackle local problems using frugal innovation concepts, developing technology-based solutions and working prototypes. At Sharnbasva University, the NAIN center offers mentorship to help students create business models for their new technologies and fosters an entrepreneurial mindset. Shortlisted projects receive up to Rs. 3 lakhs in funding for proof-of-concept development. Each project is supported by a faculty member from the relevant department and an industry expert to guide the development of prototypes and ensure commercial viability.

Our incubation center, spanning over 2,500 sq. ft., features air-conditioned workspaces, meeting rooms, and high-speed internet connectivity with state-of-the-art computers. The center is equipped with mentors from both industry and successful local entrepreneurs who provide technical, management, and legal support to aspiring young entrepreneurs.

Incubation Center

The MSME Incubation Center at Sharnbasva University has been established under the auspices of the Ministry of Micro, Small & Medium Enterprises (MSME), Government of India. This center is part of the MSME's Cluster Development Program, which aims to nurture innovation and entrepreneurship among students and local entrepreneurs. The incubation center provides a supportive environment where innovative ideas can be transformed into viable business ventures.

The center offers a range of services to aspiring entrepreneurs, including funding assistance, business mentoring, and access to state-of-the-art facilities. Entrepreneurs receive guidance on business planning, market analysis, and product development from experienced industry professionals and academic experts. The center also provides access to prototyping equipment, office space, and networking opportunities with potential investors and business partners.

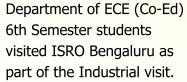

Through the MSME Incubation Center, Sharnbasva University is committed to fostering a culture of entrepreneurship and innovation. The center plays a pivotal role in supporting local economic development by helping startups and small businesses thrive. By leveraging the resources and expertise available through the MSME Cluster Development Program, the incubation center is helping to create a new generation of successful entrepreneurs who can contribute to the economic growth of the region.

Students Industrial Visits

Department of ECE (Co-Ed) 6th Semester students visited Thermal Power Plant KPCL Raichur as part of the Industrial visit.

Department of CSE (Co-Ed) 6th Semester students visited ISRO Bengaluru as part of the Industrial visit.

Department of CSE (Co-Ed) 6th Semester students visited State Forensic Laboratory Bengaluru as part of the Industrial visit.

Innovations

IBM ICE DAY : IBM ICE (Innovation Centre for Education) Day is a significant event at Sharnbasva University, aimed at fostering innovation, collaboration, and practical learning among students. The event is organized in partnership with IBM, a global leader in technology and innovation, and is designed to provide students with exposure to the latest industry trends, technologies, and best practices. The event IBM ICE DAY 2024 held as a part of Jnanotsava 2024 took place on April 27th and 28th 2024. It began with grand inauguration followed by paper presentation from a total of 11 teams and poster presentation from a total of 17 teams from both UG and PG programs on 27th April 2024. The presentation themes included IoT, AI & ML, Cybersecurity, and Business Analytics.

Events like Technical Quiz and Coding Competition were held on 28th April 2024. These events aimed to test the technical knowledge and coding skills of students, providing a platform for them to demonstrate their expertise and compete with their peers. The technical quiz and coding events during IBM Ice Day were a resounding success, providing a platform for students and tech enthusiasts to showcase their skills and knowledge. Jury members from the IBM team selected the top three winners based on specific rules and regulations, awarding certificates to both the winners and participants. Participants were also encouraged and received small gifts from the IBM team for their active participation. IBM ICE Day is a cornerstone event at Sharnbasva University, reflecting its commitment to providing high-quality, industry-relevant education and fostering a culture of innovation and excellence among its students.

Innovations

The Inter-University Hackathon: Enlighten Code-2024 was organized at Sharnbasva University as a part of Jnanotsava 2024 took place on April 25th 2024 is a prestigious event that brings together talented students from various universities to collaborate, innovate, and solve real-world problems through technology. It's an opportunity for students to showcase their creativity, technical prowess, and problem-solving skills. Whether you're a seasoned coder or a first-time hacker, this event was open to all who are passionate about making a positive impact through technology.

IQAC Cell

The Internal Quality Assurance Cell (IQAC) is a crucial component of higher education institutions has been established at Sharnbasva University as a quality sustenance measure for performance evaluation, assessment and accreditation and quality up-gradation of institutions of the university. It functions under the guidance of the head of the institution and collaborates with various departments to achieve its objectives. The primary responsibility of IQAC is to ensure quality enhancement and sustenance. It ensures the efficiency and effectiveness of measures taken/methods used to provide high quality education and evaluate the degree to which each task is fulfilled. Since quality enhancement is a continuous process, the IQAC will become a major part of the system and works towards realization of the goals of quality enhancement and sustenance.

Intellectual Property Rights (IPR) Cell

The Intellectual Property Rights (IPR) Cell at Sharnbasva University is dedicated to creating awareness and providing guidance on intellectual property rights. Intellectual Property Rights Cell (IPR Cell) in association with Ministry of Commerce & Industry Govt of India, under National Intellectual Property Awareness Mission has organised a one-day Awareness Program on Intellectual Property Rights (IPR) on January 19th 2023. Mr. Nikhil Singh working as Examiner of Patents & Design at the Patent Office Guindy, Chennai, was the event's resource person. Ethics in science and research at Sharnbasva University emphasize intellectual honesty and research integrity, addressing scientific misconducts such as falsification, fabrication, and plagiarism (FFP), as well as issues like redundant publications, salami slicing, and selective reporting or misrepresentation of data. It serves academic and non-academic staff, students, scholars, and external agencies by offering information on the university's IPR practices and policies. The IPR Cell aims to ensure that all stakeholders understand their rights and obligations within the framework of the university's IPR policy.

National Service Scheme (NSS) cell

Sharnbasva University has a vibrant National Service Scheme (NSS) unit that caters to both boys and girls, offering a wide range of activities and projects that provide students with opportunities for community service, skill development, and personal growth. The NSS encourages students to engage in social, cultural, and educational activities, fostering a sense of social responsibility and community involvement. The main aim of NSS unit is to develop leadership qualities and teamwork among students, also to promote a spirit of national integration and brotherhood. The NSS unit actively engages its students in various events and activities such as Convocation ceremonies, Conferences, University fests, etc. Through these activities, Sharnbasva University aims to continue and expand its efforts to benefit the community and promote national integration. By doing so, the university strives to make a positive impact on society and foster a sense of social responsibility among its students

National Cadet Corps (NCC) Unit

The NCC unit at Sharnbasva University is a youth development organization that aims to groom students into disciplined and patriotic citizens. Through regular parades and drills, the unit instills discipline and teamwork in its cadets. The unit has consistently performed well in annual NCC camps and competitions, demonstrating its excellence. Additionally, the unit actively participates in national events such as Independence Day and Republic Day celebrations, showcasing their skills in parades, drills, and cultural programs. Furthermore, the unit engages in social responsibility initiatives like Paper Bag Day, Blood Donation Day, and environmental awareness programs, promoting eco-friendly alternatives to plastic bags to reduce plastic waste, conserve natural resources, and mitigate plastic pollution's harmful effects. These efforts are part of the NCC's ongoing commitment to contributing positively to the community and instilling a sense of duty and service in its cadets. By providing a platform for students to develop their physical fitness, mental toughness, and social responsibility, the NCC unit plays a vital role in shaping well-rounded individuals.

Training & Placement Cell

The placement office is well equipped with excellent infrastructure to support all the stages of Placement Process viz. pre-placement talk, written test, group discussion & interviews.

The Placement Department imparts training to the students to develop overall personality of the student to be able to equip them for facing the Campus Interviews in this new competitive era. The thrust of the Placement Department is to create maximum opportunities for the placement of the eligible students in the job market by establishing good rapport with the Industry.

Sharnbasva University Kalaburagi provides full placement support to its students in all areas of professional education - Technology, Management, and Life Sciences. The underlying objective of Sharnbasva University for higher education is to create and transfer knowledge for the welfare of the society.

Over the last decades the Sharanbasveshwar Vidhya Vardhak Sangha's has emerged as one of the most favoured destination for hiring fresh Talent from the Campuses.

At Institute of Technology teaching, learning process, Pedagogy is oriented to make the students industry ready. Students are therefore given more exposure on practical learning which helps them to meet industry expectations. All efforts are made to inculcate values and make them socially responsible citizens.

Our Placement model is a four stage process involving the Pre Placement activities, Career Guidance, Executing Placement and Post Placement reviews. The Placement activity starts immediately after sixth semester examination i.e. pre-final year examination of the students. Many of the fortune 500, top and renowned Companies visit to our institutes regularly for the Recruitment Process & most of them get placed even before the commencement of their final year. Sharnbasva University Kalaburagi Organizes the '**Intensive training**' with prominent corporate trainers from Bangalore, Hyderabad & Chennai.

The training Modules are

- 1. Aptitude Test skills
- 2. Technical Interview skills
- 3. GD Handling techniques
- 4. HR Interview handling skills

Major Recruitors

Sports 2k24

The Jnanothsava 2k24 at Sharnbasva University was a resounding success, showcasing a grand celebration of talent, sportsmanship, and community spirit. This year's annual sports meet, held from 22nd to 24th April 2024, offered a diverse range of sports activities catering to various interests and skill levels among students. The events witnessed enthusiastic participation from students, faculty, and staff, creating an electric and vibrant atmosphere throughout the fest. The three-day extravaganza was a testament to the university's commitment to promoting physical fitness, teamwork, and healthy

Technical Events 2k24

The technical events were organized by various departments as a part of Jnanothsava 2k24 which includes Paper presentation, Poster presentation, Coding, Technical Quiz competitions, Hackathons etc. The participants showcased their programming skills, innovation, and problem-solving abilities, with the winners being awarded prizes and recognition. The events provided a platform for students to learn, compete, and network with their peers.

Non-Technical Events 2k24

As part of the Jnanothsava-2k24, several non-technical events were organized to showcase the creative and entrepreneurial skills of students such as Cooking without Fire, Trade Fair, Photography Competition etc. The event was a huge success, with participants demonstrating their marketing and sales skills. The events were well-organized and witnessed enthusiastic participation, fostering a vibrant and inclusive atmosphere. These events not only allowed students to showcase their skills but also encouraged collaboration, teamwork, and healthy competition.

Cultural Events 2k24

The cultural events at Jnanotsava 2k24 at Sharnbasva University were a celebration of artistic talent, cultural diversity, and creative expression. These events provided a platform for students to showcase their abilities in dance, music, drama, fashion, and more, contributing to the vibrant atmosphere of the fest.

Student Outreach Programme

Sharanabasava University, we believe in the power of community engagement and the importance of extending educational opportunities beyond the campus. Our Outreach Programme is designed to foster a spirit of collaboration, learning, and social responsibility among students, faculty, and the community. Through various activities and initiatives, we aim to make a positive impact on society while enriching the educational experience of our students.

FUTURE IS HERE..

NEW SKILL BASED ENGINEERING PROGRAMMES

Exclusive Programme for Women

B.Tech in Artificial Intelligence and Machine Learning

Artificial Intelligence (AI) and Machine Learning (ML) are rapidly evolving fields that focus on creating systems capable of performing tasks that typically require human intelligence. An AI and ML course equips students with the technical knowledge and practical skills necessary to develop intelligent systems and applications, positioning them at the forefront of technological innovation.

B.Tech in Energy Engineering

Second University in the State to start this course in the Emerging area of Engineering & Technology

Energy engineering is a multidisciplinary field that focuses on the efficient production, conversion, distribution, and use of energy. It encompasses various technologies and methods to address the growing demand for energy while considering environmental sustainability. An energy engineering course prepares students to tackle the challenges of the modern energy landscape, emphasizing innovation, sustainability, and efficiency.

B.Tech in Artificial Intelligence and Data Science

Artificial Intelligence (AI) and Data Science course provides a comprehensive education in two of the most dynamic fields in technology. These areas focus on creating intelligent systems and extracting insights from data, respectively. An AI and Data Science course prepares students to leverage advanced technologies to extract valuable insights from data and create intelligent systems, equipping them with the skills needed for a range of roles in the technology and analytics sectors.

B.Tech in Computer Science and Design

A course in Computer Science and Design blends the principles of computer science with design thinking and methodologies. This interdisciplinary approach equips students with skills to develop and design innovative software and hardware solutions, focusing on both technical and user experience aspects. A Computer Science and Design course prepares students to create innovative, user-friendly technology solutions, bridging the gap between technical development and design aesthetics to meet the needs of modern users.

Staff Achievements

 Dr. Lakshmi Patil Maka, Dean, Sharnbasva University Kalaburagi.
 i.Awarded as "Shayesta Akhtar Memorial National Award for Best Women Engineering College Teacher" by ISTE in 2024.

ii.Awarded as "**Smt Triveni Devi Gupta Memorial**" by **IETE** in 2023.

iii.Awarded as "**Sangameshwar Stri Prashasti-2023**" by Tolasanhalli in 2023.

2. Dr. Archana M Kinagi, Chairperson, department of MBA [Exclusively for Women], Faculty of Business Studies, Sharnbasva University, Kalaburagi.

Awarded as **"Kalika Snehi Shikshakara Puraskar**" by Antarang Sanskritik Seva Samsthe and Shree

Sangam Educational and Charitable Trust, Kalaburagi in 2023.

Students Achievements

1. Ms. Sneha Shalgar Studying in the Department of Computer Science & Engineering, Faculty of Engineering & Technology [Exclusively for Women]

Awarded as "Best Performing ISTE Chapter Student Award" by ISTE in 2024.

- Ms. Chaitra Studying in the Department of Electronics & Communication Engineering, Faculty of Engineering & Technology [Co-Education]
 Awarded as "Best Performing ISTE Chapter Student Award" by ISTE in 2024.
- Ms. Kumuda Studying in the Department of Civil Engineering, Faculty of Engineering & Technology [Exclusively for Women]

Awarded as "Best Performing ISTE Chapter Student Award" by ISTE in 2023.

- Ms. Veena Studying in the Department of Electronics & Communication Engineering, Faculty of Engineering & Technology [Exclusively for Women]
 Awarded as "Best Performing ISTE Chapter Student Award" by ISTE in 2022.
- Mr. Praveen Pujari Studying in Department of MBA [Tourism and Travel], Faculty of Business Studies.

Received 1st prize in "**Spot Photography**" at AIU 37th Inter-University National Youth Festival Punjab Agricultural University, Ludhiana, Punjab in 2024.

 Mr. Prajwal Studying in the Department of Architecture, Faculty of Architecture.
 Received 3rd prize in "Rangoli Competition" at AIU 37th Inter-University National Youth Festival Punjab Agricultural University, Ludhiana, Punjab in 2024.

- Ms. Farah Deeba Studying in the Department of Architecture, Faculty of Architecture. Received 3rd prize in "Mehendi Competition" at AIU 37th Inter-University National Youth Festival Punjab Agricultural University, Ludhiana, Punjab in 2024.
- Mr. Ganesh, Mr. Pratik, Mr. Ankit Studying in the Department of Electronics & Communication Engineering, Faculty of Engineering & Technology [Co-Education].
 Received 3rd prize in "Live Project Expo Yukti Fest" at VTU Regional Centre, Kalaburagi in 2024.
- Pooja B.B, Priyanka, Swati, Sufiya Studying in the Department of Electronics & Communication Engineering, Faculty of Engineering & Technology [Co-Education].
 Received 3rd prize in "State Level Conference" for exhibiting project title "Forest Fire Detection System using IoT" Organized by Karnataka State Science and Technology, Bengaluru in 2022.
- Mr. Shivakumar S. Uppin Studying in the Department of Electronics & Communication Engineering, Faculty of Engineering & Technology [Co-Education]. Received 1st prize in 4x100 mtr rile and 4x400 mtr rile "Running Race" Dasara Sports, organized by Ministry of Youth affairs and sports, Govt. of Karnataka, Taluka and District Level, in 2023.
- 11. Ms. Srusti Deshmukh Studying in the Department of BCA [Exclusively for Women], Faculty of Computer Applications.

Received 3rd prize in "**Folk Orchestra**" at 37th Inter-University South-East Zone Youth Festival, Yuva BIMBA hosted by JSS Science and Technology University, Mysuru in 2023.

- 12. Ms. Gayatri Kulkarni and Ms. Bhagya Patil Studying in Department of Computer Science & Engineering, Faculty of Engineering & Technology [Co-Education]. Received 3rd prize in "Folk Orchestra" at 37th Inter University Southeast Zone Youth Festival, Yuva-Bimba, hosted by JSS Science and Technology University, Mysore in 2023.
- 13. Eshwar Pujari, Bhagarantraya Yadrami, Prema S.K, Lagamanna Manur Studying in Department of Journalism and Mass Communication. Faculty of Social Science (Co-Education). Received 1st prize in "Ad Zap" competition at Inter University "MINDx Media Fest 2024" organized by Department of Mass Communication and Journalism in Central University of Karnataka, Kalaburagi in 2024.
- Yashshree S.K. Studying in Department of Journalism and Mass Communication. Faculty of Social Science (Co-Education).

Received 1st prize in "**News Anchoring**" competition at Inter University "MINDx Media Fest 2024" organized by Department of Mass Communication and Journalism in Central University of Karnataka, Kalaburagi in 2024.

15. **Prema S.K.** Studying in Department of Journalism and Mass Communication. Faculty of Social Science (Co-Education).

Received 1st prize in "**Montage**" and 2nd prize in "**News Anchoring**" and "**Dabsmash**" competition at Inter University "MINDx Media Fest 2024" organized by Department of Mass Communication and Journalism in Central University of Karnataka, Kalaburagi in 2024.

- 16. Yashshree S.K, Shivkumar R, Bheemraya S, Amar S. N. Studying in Department of Journalism and Mass Communication. Faculty of Social Science (Co-Education). Received 2nd prize in "Ad Zap" competition at Inter University "MINDx Media Fest 2024" organized by Department of Mass Communication and Journalism in Central University of Karnataka, Kalaburagi in 2024.
- 17. **Bhagarantraya D** Studying in Department of Journalism and Mass Communication. Faculty of Social Science (Co-Education).

Received 2nd prize in "**Scene Craft**" competition at Inter University "MINDx Media Fest 2024" organized by Department of Mass Communication and Journalism in Central University of Karnataka, Kalaburagi in 2024.

18. Eshwar Pujari Studying in Department of Journalism and Mass Communication. Faculty of Social Science (Co-Education).

Received 2nd prize in "**Uncut**" competition at Inter University "MINDx Media Fest 2024" organized by Department of Mass Communication and Journalism in Central University of Karnataka, Kalaburagi in 2024.

19. **Shivkumar R** Studying in Department of Journalism and Mass Communication, Faculty of Social Science (Co-Education).

Received 2nd prize in "**Montage**" competition at Inter University "MINDx Media Fest 2024" organized by Department of Mass Communication and Journalism in Central University of Karnataka, Kalaburagi in 2024.

20. Yashshree S.K. Studying in Department of Journalism and Mass Communication, Faculty of Social Science (Co-Education).

Received 1st prize in "**Pick and Narrate**" competition at Inter-University "Rainbow Fest 2024" organized by the Department of Journalism and Mass Communication Department in Karnataka University, Dharwad in 2024.

21. Mithun and Yashashri Studying in Department of Journalism and Mass Communication. Faculty of Social Science (Co-Education).

Received 3rd prize in "**Media Quiz**" competition at Inter-University "Rainbow Fest 2024" organized by the Department of Journalism and Mass Communication Department in Karnataka University, Dharwad in 2024.

22. Mithun Y Banasode

Studying in Department of Journalism and Mass Communication. Faculty of Social Science (Co-Education).

Received 3rd prize in "**Piece to Camera**" competition at Inter-University "Rainbow Fest 2024" organized by the Department of Journalism and Mass Communication Department in Karnataka University, Dharwad in 2024.

 Ms. Aishwarya, Ms. Prakruti Studying in the Department of MBA [Exclusively for Women], Faculty of Business Studies.

Received 2nd prize in "**Shreshta Vitta**" at YUKTI regional level Techno–Cultural Fest 2024 organized by VTU Regional Centre , Kalaburagi in 2024
