ABOUT UNIVERSITY

Sharnbasva University is the first private multi-disciplinary university in the entire North Karnataka providing avenues for the students to pursue higher education in almost all fields of education such as Engineering, Management, Science, commerce, Architecture, Humanities, and Social Sciences. Providing quality education at an affordable cost has been the hallmark of the university. The university has set itself on the path one of the emerging centres of excellence and a world-class University, which is the dream of Poojya Dr. Sharnbaswappa Appa, the visionary chancellor of the youngest private university in the entire state.

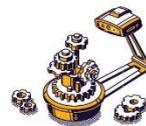

The Sharnbasva University is backed by the rich legacy of more than 100 years of providing quality education to the deprived sections of the people in the educationally backward Kalaburagi and neighboring districts. The Sharnbasveshwar Vidya Vardak Sangha, under whose aegis the Sharnbasva University is functioning, has the honor of starting the first school exclusively for the girls way back in 1934 opening doors of learning to the girls. The legacy of providing optimum importance to girl education has continued to this day and the Sangha was the first to start an exclusive engineering college for women in the entire North Karnataka and the second in the entire Karnataka. This College is now part of Sharnbasva University.

Infrastructure/Facilities: The University's infrastructure will support, enable, and enhance the work of its faculty, staff, and students. The University has separate buildings for each department, a well-equipped library, study rooms, student hostels, mess, gymkhana, a recreational center, and residential quarters for staff. Besides, it has a well-furnished convocation hall, examination hall, and common rooms for ladies. Wifi Connectivity is available. University provides a bus facility, purified drinking water, feedback to parents, and career guidance cell, a dress code for students, dedicated placement cell and canteen. The Canteen is designed to cater to 150 students & staff. Library A/c Library 24/7 is open for students.

The Sharnbasva University successfully hosted the ICMR 2022 on 22nd – 24th November 2022 with a pre-Conference on 21st November 2022 and a post-conference on 25th November 2022 at the sharnbasva university campus, Kalaburgi. The presence of dignitaries, an impressive line-up of scholars from across the Nation, the support of media partners, and an array of carefully selected, well-researched, and well-presented papers on the subject, all came together to help Team Sharnbasva University to admirably conclude this huge endeavor. The conference was applauded for the more than 9 concurrent sessions, 25 plenary sessions, and tutorials, besides the Inaugural and Valedictory sessions. This Conference has, without a shade of doubt, made the academic fraternity richer, with the additional literature in form of scholarly works on the subject. This conference and tutorial offered opportunities for the participating audiences to interact with activists, academicians, scholars, and experts, who deliberated upon and covered topics around the issues of created identity perceptions in engineering and technology, Business Management, Sciences, Humanities & Social Sciences. This international Conference owes its success to the able guidance of our beloved chancellor Poojya. Dr. Sharnbasappa Appa, Poojya Matoshree Dr. Dakshayani S Appa, chairman Sharnbasva university, Shri Basavaraj Deshmukh, Secretary, Sharnbasveshwar Vidya Vardhak Sangha and Dr.NIranjan V Nisty, Vice-chancellor and the hard work put in by the entire team of Sharnbasva University.

The objective of this conference was threefold:

1. To foster discussion and strengthen connections between experts and research students of our university to analyze the current trends and Applications.
2. To allow experts from the various domains to discuss some of the subject themes.
