

# EVENT REPORT

**Date: 10th August 2023**

**Coordinator's Name:** Dr. Shivaleela Patil

**Total Number of Participants:** 80 (50 students + 30 staff)

**Targeted Audience:** Students and Faculty members

**About the Event:** A one-day webinar on “Augmented and Virtual Reality” was organized on 10th August 2023 by the Department of Computer Science & Engineering, Sharnbasva University, in association with IETE Sub Centre Kalaburagi. The session, led by Mr. Kiran, Manager at Metaverse, Bengaluru, aimed to introduce faculty and students to emerging concepts in AR and VR technologies and their integration within the metaverse. The session also highlighted the proposal for establishing a Metaverse Lab for engineering students and explored how AR, VR, MR, and blockchain technologies create immersive, interactive digital environments. The event concluded with a positive response and vote of thanks.
