EVENT REPORT

Date: 24th April 2021- 26th April 2021

Coordinator's Name: Prof. Bannamma G. Patil, Prof. Supriya Bagewadi

Total Number of Participants: Students: 605, Staff Members: 56, **Total: 661 participants**

Targeted Audience: Final year B.Tech. students

About the Event: A three-day **Hands-On Workshop on Machine Learning with Python** was held from 24th to 26th April 2021, organized by the Department of Computer Science and Engineering & Information Science and Engineering, Sharnbasva University. The workshop was conducted by Mr. Arunjit Chowdhaury, CEO of EBTS, Thane, Mumbai. It aimed to impart practical knowledge and insights into machine learning using Python, particularly tailored for final-year engineering students preparing to enter the ML domain. With over 660 participants, the sessions included hands-on demonstrations, concept clarification, and technical discussions to bridge the gap between academia and industry. The workshop also featured interactive components such as quizzes to reinforce learning.
