— ALL ARE WELCOME

The Meeting Was Scheduled On 29/12/2024 At 2:00 PM In Alan Turing Lab CSE Department.

**Points Discussed:**

1. Dr. Shivaleela patil, Professor and chairperson, welcomed all the parents and presented the following :

- ✓Institution and Department – Vision and Mission.
- ✓Information about the department including faculty details, student details.
- ✓Facilities available in the department.
- ✓Placements and Internship.

**The following were the views / suggestions / feedback put forth by parents.**

\* Parents requested for extra support classes for their wards as they had missed few classes. Chairperson assured that incase of any extra help required in any of the subjects, a request may be submitted by the student, and tutorial / remedial classes for the same will be conducted.

\* Parents wanted to know about SGPA and CGPA calculation. Details of the same was shared with parents.

\* Parents wanted to know about placement and internship opportunities. Prof.Rashmi Bangar gave the placement statistics of the department.

\* Parents wanted to know about industry institute interaction. Chairperson gave the details of industry experts involvement in framing the syllabus. she also mentioned about involvement of industry personnel in delivering expert talks, alumni talk, project-based learning etc.

\* Parents requested to share the details of the attendance of their ward and same has been provided by the class coordinator.

\* Parents are happy with the classes and appreciated the efforts put forth by faculty.

2. The meeting concluded with a thanking note to all the parents and staff for their valuable feedback and suggestions along with a high tea.
