

## EVENT REPORT

**Date:** 24<sup>th</sup> February 2022

**Coordinator's Name:** Prof. Nandini V Patil, Prof. Preeti B M

**Total Number of Participants:** 45 participants

**Targeted Audience:** Students and budding aspirants in the field of Computer Science and Engineering

**About the Event:** A one-day seminar on "*Problem Solving and Ideation*" was conducted on 24th February 2022, organized by the Department of Computer Science and Engineering, Faculty of Engineering and Technology (Exclusively for Women), Sharnbasva University. The session was led by Dr. Prema T. Akkasaligar, Professor and PG Coordinator at BLDEA's CET, Bijapur. The seminar aimed to guide participants in understanding innovation methodologies and developing skills and tools essential for problem solving and ideation. Dr. Prema emphasized practical strategies, ideation techniques like prototyping and storyboarding, and encouraged active participation through interactive exercises. The session was well-received, with positive feedback highlighting its effectiveness in sparking creativity and enhancing problem-solving capabilities among the participants.
