### **About the Event:**

A “Cancer Awareness Talk and Cancer Screening Camp” was conducted by **Computer Science and Engineering Department of Faculty of Engineering and Technology (Exclusively for Women), Sharnbasva University, in association with IETE Center, kalaburgi,HSG & Mounayogi Foundation Under IETE Student FORUM(ISF)** on 6<sup>th</sup> June 2023. The talk was to provide awareness about cancer and better health-seeking behavior. Cancer is quite common in both developing as well as developed countries, but awareness is yet poor among the general population. Poor awareness may lead to poor uptake of screening modalities and delay in diagnosis. Sessions were conducted by **Dr.Shantling Nigudgi** Sr.Consultant Radiation Clinicaloncologist Sr.Consultant Radiation Clinicaloncologist.
