

EVENT REPORT

ONE DAY CAREER GUIDANCE PROGRAM

Date: 24th May 2024

Coordinator(s) Name: Prof. Rashmi Bangar

Total Number of Participants: 80

Targeted Audience: UG students

About the Event: Career Development Cell has organized a one day Career Guidance Program for III year B.Tech students. As career guidance program provide crucial support and information, enabling students to make informed decisions about their career paths.

The program had two sessions; the first session was conducted by Dr. Ramakrishna Yelamanchi, who is International certified trainer from NABET & Counselle institute of image management, in collaboration with Scottish Qualification Authority. The session focused on communication skills, resume writing and its importance.

The second session was conducted by Mr. Lingraj Nandi focusing on current job market, insights on Full stack development, Cloud & Data science.

Overall the day was informative and students participated enthusiastically and zealously.
