Description of Activity	Career guidance helps us to reflect on our interests, ambitions, abilities, qualifications, etc. It helps us to understand the product market and education system and relate this to how we know about ourselves. Overall, career guidance trying to teach us to plan and make decisions about work and learning. Mr. vinay kumar started the presentation with few keynotes understanding exams, how to prepare and higher education. Si has given brief introduction regarding GATE, GRE and GMAT. Points which have been covered during the session • Setting Clear Goals • Do what you like, so that it is a play to you. • Which colleges offer these subjects? • Short list the colleges to focus. • What are the criteria for getting an admission? • So you don't have to peeper for multiple exams unnecessarily. • Select the exam. • There other exams like IELTS for European specific colleges • Check the syllabus and start the preparation.
Outcome of the Activity	The seminar would aim to provide students with the knowledge and tools they need to approach the preparation for these competitive exams with confidence and clarity. They would leave with a well-rounded understanding of how to effectively prepare, manage their time, and use resources wisely to achieve their academic and career goals.
