Activity Report

Title of the Event	Career opportunities after B.Tech
Date of Activity held	24/04/2025
Time of Activity	11:00AM
Type of Activity (Cultural/ Co curricular/Curricular)	Co curricular Activity
Resource Person	Mr. Pabba Ramesh
Professional details of Resource Person	Faculty at ACE Engineer Academy, Hyderabad
Program/Course/ Class	B.Tech./ECE/ 6 th Semester
Number of Students attended	110
Number of Staff attended	02
Activity Incharge	Mrs. Shobhana , Mrs. Laxmi Patil
Description of Activity	This report is written to describe the session conducted by Ramesh Sir on career opportunities after B.Tech. The session provided valuable insights into various paths available to engineering graduates. B.Tech students can pursue careers in core engineering fields like civil, mechanical, electrical, and electronics. Opportunities in the IT sector, such as software development and system analysis, were also discussed. Ramesh Sir explained how exams like GATE, IES, and PSU recruitment can lead to prestigious government jobs. He also encouraged students to consider higher studies like M.Tech, MBA, or MS abroad. The session highlighted the growing demand in areas like AI, data science, and cybersecurity. Research and academic roles were presented as options for those interested in innovation. Entrepreneurship and startup culture were also emphasized as promising avenues. Overall, the session by Ramesh Sir was informative and helpful for planning future careers after B.Tech.
Outcome of The Activity	As a result of the session conducted by Ramesh Sir, students gained a clear understanding of the various career options available after B.Tech. They became more aware of opportunities in government sectors, higher education, and private industries. The session also introduced them to emerging fields like artificial intelligence, data science, and entrepreneurship. Overall, it was a highly informative activity that helped students plans their future career paths effectively.
