

Faculty of Engineering and Technology (Exclusively for Women)
Department of Electronics & Communication Engineering

Title of the Event	Exploration and Field trip for problem identification.
Date of Activity held	30/01/2024
Time of Activity	11.00am to 3pm.
Type of Activity (Cultural/ Co curricular/Curricular)	Co curricular Activity
Resource Person	Mr. Anil kadadi
Professional details of Resource Person	General Manager, BUYU Foods private limited.
Program/Course/ Class	B.Tech./ECE/ 5 th Semester
Number of Students attended	84
Activity Incharge	Pof. Shobhana, Prof. Laxmi Patil
Objective of the activity	To explore real-time food processing and packaging operations and identify practical challenges in food quality control, automation, and supply chain logistics, enabling students to propose innovative, research-based solutions to industry-relevant problems.
Description of Activity	The visit was organized with the prior permission of Dean, , Sharnbasva University Chairperson of Department Electronics and communication engineering FETW. Staff members Mrs. Shobhana and Mrs. Laxmi Patil accompanied the students for this visit. Total 84 students had joined this industrial visit. At the site, the team was guided by Mr. anil kadai, General manager, Buyu foods private limited. Location : The plant is situated at the W-45, Road No. 9A, Nandur Industrial area, Kalaburgi. 585102. Details of the journey: We started traveling from SUK campus to Buyu foods private limited, 11:30 AM from our institute by bus on 30th January 2024. We reached the BFPL gate at 11:50 AM. As soon as we reached their security officer had taken the signature. After that we were enter into the Company we meet with Mr. Anil kadadi and his team.. First we all were guided to keep safety and then we went to Laboratory and saw the quality testing measures and also they show us the demo how the actual works take place. We were headed by Mr. Anil kadadi who helped us to know how production is carried out and how well the waste product are utilized as per economic of company. After getting all idea about production of the company and we showed our appreciation to Sir and finally we thanking to all whom we met there we took leave at 2:30 pm.
Course Outcome	Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional engineering practice.
Outcome of the Activity	An industrial visit to Buyu Foods would provide insights into their production processes, use of technology, and sustainability efforts. It would also offer a chance to understand the company's market strategy and network with professionals.
