

Faculty of Engineering and Technology (Exclusively for Women)
Department of Electronics & Communication Engineering

Title of the Event	Industry Visit to GTTC Kalaburgi
Date of Activity held	11/04/2026
Time of Activity	10.00AM to 3:30 PM
Type of Activity (Cultural/ Co curricular/Curricular)	Co curricular Activity
Resource Person	Mr. Anil M Kamble
Professional details of Resource Person	Principle /Unit Head
Program/Course/ Class	B.Tech./ECE/ 5 th Semester
Number of Students attended	64
Activity Incharge	Mrs. Ratnamala S. Patil, Mrs. Shruti H, Mrs. Shobhana
Objective of the activity	To provide students with practical exposure to modern manufacturing technologies and industrial practices, bridging the gap between classroom learning and real-world engineering applications.
Description of Activity	An industrial visit to Government Tool Room and Training Centre (GTTC), Kalaburagi was organized to provide students with firsthand exposure to industrial processes and advanced manufacturing technologies. During the visit, students observed various departments, including tool design, CNC machining, CAD/CAM facilities, quality control, and product development units. Industry experts explained the working principles of modern equipment, manufacturing workflows, and quality assurance practices. The visit enabled students to connect theoretical concepts with practical applications and gain insights into the professional work environment and career opportunities in the manufacturing sector.
Course Outcome	Students will be able to relate theoretical engineering concepts to real-world industrial practices and demonstrate an understanding of modern manufacturing technologies, processes, and professional work environments.
Outcome of the Activity	Students gained practical knowledge of modern manufacturing technologies, industrial processes, and quality control practices, enhancing their technical understanding and awareness of industry requirements and career opportunities.

A State Private University approved by Govt. of Karnataka vide Notification No. ED 144 URC 2016 dated 29-07-2017
Recognised by UGC under Section 2f vide No. F.8-29/2017 (CPP-I/PU), dated 20-12-2017 & AICTE, CoA, PCI New Delhi

Approved by AICTE, UGC Under Section 2f, Recognized by Govt. of Karnataka.

Activity Photographs

CO's, PO's and PSO's Correlation

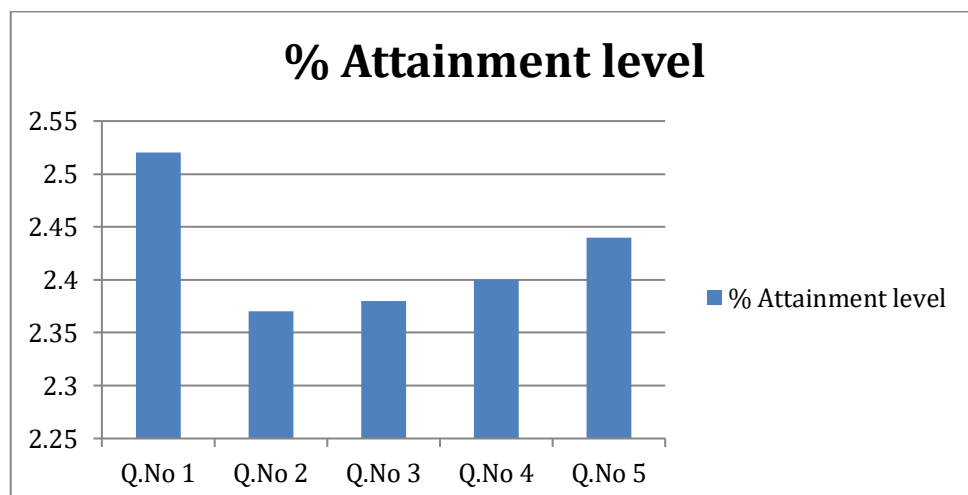

CO's No.	CO Defined	Relevance to PO's and PSO'S
CO	Students will be able to demonstrate an understanding of industrial workflow, machine tool operations, and safety standards observed at GTTC, and apply this knowledge to real-world engineering problem-solving.	PO1, PO2, PO6, PO7, PO12

Title of the Event: Industry Visit to GTTC Kalaburgi

Number of Students: 67

Q.No.	Excellent (3)		Good (2)		Avg(1)		Total Score	%Attainment = (Total score/Total no. Students attended)	Average percentage Attainment	Attainment levels	Mapped POs	Mapped PSOs
1	41	123	23	46	-	-	169	2.52	80.73	2	1,2,6,7,12	3
2	32	96	31	62	1	1	159	2.37				
3	33	99	30	60	1	1	160	2.38				
4	34	102	29	58	1	1	161	2.40				
5	39	117	23	46	1	1	164	2.44				
Average								2.422				

Impact Analysis: From the above table, Industrial visit to GTTC moderately attained to level 2. Against mapped PO1, PO2, PO6, PO7 and PO12. Note: High=3, Moderate=2 and Low=1
